IN MEMORY

Dr. James Street Brewer

1895-1976

Dr. James Street Brewer, Sr., a faithful Deacon of the First Baptist Church, Roseboro for a number of years, began medical practice in Roseboro after graduating from the Jefferson Medical College in Philadelphia, Pa.

His Christian dedication and his compassionage concern as a doctor, to his patients, meant that he often visited them far out in the remote sections of the community and sitting up all night with them. His medical ministry reached out to touch so many lives. He ushered into the world over 6000 babies.

He was concerned about the total World Missions Program as well as the local church, and as time permitted, he agreed to serve in associational work.

His Christian influence lives on in many lives of the membership of the Baptist churches in our association and it is in memory of his Christian life and service that these minutes are dedicated by action of the association in session October 20, 1976, at Baptist Chapel.

IN MEMORY

Rev. D. H. Lowder

1904-1976

Rev. D. H. Lowder, for over 20 years served as pastor of the Massey Hill Baptist Church and after retirement served as interim pastor at Lake Rim until his illness and death. He was a graduate of Catawba College, Salisbury and served as pastor at Gold Hill and Calvary near Salisbury and Maysville.

His tenderness and patience as pastor and minister endeared himself to so many through the years. He was a strong supporter of our World Missions program, not only through the encouragement of more adequate budgeting for World Missions but through active personal participation in associational work, having served on numerous committees and responsible places of leadership.

It is in memory of his life and influence among us that these minutes are dedicated by action of the Association in Session, October 20, 1976.

REPORT OF DIRECTOR OF MISSIONS

This year has been a year of frustration and challenges.

Brother Ben Connell was led to accept a position with the State of South Carolina after being with us only a few months. Much energy and time was spent making adjustments, shifting the work load and seeking the replacement for the Director of Church Development position.

Other changes in secretarial positions have taken place making other adjustments necessary as we have sought to make more effective our working relationships as well as the ministry in and throughout the association.

The Associational Council has also sought to make some changes which increases our efficiency and involvement of the personnel with the people of the association.

An orientation for committee chairmen was provided by the council. Other recommendations include some constitutional proposals. If approved, the Committee on Committees will be more than doubled in size with the ten group representation equally divided as far as possible. Chairmen of committees will be expected to be more responsible for the work of their committees. They also will have the opportunity to recommend other rotating members for election at the annual sessions.

The Special Study Committee approved last year in the annual session will be looking at some very valuable possibilities as to staff tasks and overall work within the associational program.

With our new Director of Church Development coming into the association during the last of June many plans are now in the making, making the coming year the greatest potential year we've had in a very long time.

Financial support has been very encouraging in spite of so many adjustments and changes made necessary during the year.

Our visitation in the churches has not been as thorough nor as representative as we had anticipated but our "work" with individuals who have come into the office or with whom we have worked out "in the field" has had more quality and been at a deeper level than before, we feel.

With our continuing to work on the basis of "first come, first served" we are not able to accept all the invitations we wish we could, but we do attempt to make these opportunities fruitful for Him.

There is a great need for our churches to not only give approval, but, in fact, to encourage and share deep concern that their pastors continue "to grow with their churches" by being involved in "continuing education" opportunities. In our technological culture of pressure and skills, means need to be provided to enable our pastors to not only "stay on top" of theological education and administrative trends and skills but to become ministers "second to none" relating to church and community individuals in an understanding and fruitful manner.

Ministers above all others, need to continually "sharpen" their tools in order that they truly be "fit" for the Master's use.

We pray that this year will be our most wonderful year in reaching souls for Him, as well as

our developing those already won, into greater maturity of Christ-likeness. May God grant that it be so.

Sincerely,
Charles A. Stevens

BAPTIST FOUNDATION REPORT

In a tract that came across the Foundation desk during the past year was a note about a will of famous financier J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicated by the opening statement of that legal document. It read, "I commit my soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard. . . the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned, his most valued "possession" was the priceless gift of salvation. Paul, in II Corinthians 12:4, says "I seek not yours but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a means for raising money, but a plan for making the right kind of men.

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

The children of one family, upon the settlement of the estate of their father, placed all the

residence of the estate with the Foundation to establish a trust in memory of their parents for Foreign Mission support. Their mother and dad had long been interested in this area of our Christian ministry.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist Colleges. Another husband and wife began a trust "To the Glory of God and in Honor of our Pastor." This was but the beginning of a Book of Honor for North Carolina Pastors and Missionaries with income to go toward all mission efforts of our denomination throught the Cooperative Program. The value of the principal has increased sixty times already since the first gift and several pastors and missionaries have been remembered in this expression of love. A widow has established a living trust turning over all of her property and financial assets for the remainder of her life, reserving the right to income, and upon her death it will then be divided among several institutions and mission causes, one of which will be mission ministries in the local association.

New additions during the 1975-1976 year to the N. C. Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate, annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976 to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-76 was $157,-069.28. In previous years the Foundation had paid to beneficiaries $1,018,414.76. The total paid through June 30, 1976 now has reached $1,175.484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

MILITARY MINISTRY REPORT

There are several facets of this ministry. The most noticable and interesting is the work with Koreans and Vietnamese.

We have a Korean fellowship that meets regularly at Snyder Memorial Baptist Church each Sunday afternoon. Pastor Kim is the leader-preacher for the group. There has been as high as ninety present at some of the meetings. We are grateful for the leadership shown at Snyder Baptist Church and by those responsible through the New South River Baptist Association.

We have a Vietnamese Ministry that meets regularly at LaFayette Baptist Church. Pastor Na Phan is the leader-preacher of this group. The Vietnamese ministry includes language classes as well as Bible study on week days at the pastor's home as well as the Bible class at 9:45 A. M. at the LaFayette Baptist Church. The Vietnamese also meets with LaFayette Baptist Church for the morning and evening worship hours. There have been as many as forty present at some of these classes. We are grateful for the leadership shown by LaFayette Baptist Church and the New South River Baptist Association in conjunction with North Carolina Baptist State Convention for their assistance financially and otherwise with these groups.

We have a Japanese ministry at Eutaw Heights Baptist Church. At the present time we have no pastor. We expect to have more definite plans for this work soon. The classes in Bible continue and we are grateful for those at the church that assist in this effort.

We plan to continue in these efforts as well as to have further classes in Bible and language in the Spanish speaking peoples. Plans are now being made toward this effort.

Again, we are grateful for an Association of churches willing to see that this work, so needed, go forward in the future. I believe that this is Christ in action.

Respectfully submitted,
Jack Hinton, Chairman

ORDINATION COMMITTEE REPORT

During the last associational year, the Ordination Committee of the association has been called into meeting on three different occasions at the request of churches to examine individuals as to their qualifications for potential candidates for ordination by the churches of which they were members at the time.

On November 5, 1976, the council examined Rev. Gerald Williams of Walstone Memorial, Rev. Harold Bridges, pastor. Jose Miranda was examined at the request of Village Drive Baptist Church, February 12, 1976, Dr. William Owens, pastor; and on June 25, 1976, Larry Harper of Eutaw Heights, Rev. Tom Collins, pastor, was questioned as to his "fitness" as a candidate for ordination to the gospel ministry.

In each case these men were questioned as to their new birth experience, their church relatedness, their beliefs as taught in the Scriptures. Denominational relationships were discussed. Ethical standards were shared and talked about.

In the three instances, the men were approved unanimanously by the ordination committee as candidates for ordination at the time and discretion of their home church.

This is always a very sacred and worthwhile experience as these men take this major step in fulfillment of this call into the ministry.

Respectfully submitted,
Thomas Patterson

CHRISTIAN HIGHER EDUCATION REPORT

Baptist Colleges and Baptist History

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist college. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptist wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in the state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

Cooperation Between Colleges and Churches

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependance is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans and work scholarships are available.
5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs.
6. Baptist colleges are anxious to receive invitations to serve the churches and associations. Each of the colleges are prepared to send speakers upon request.

North Carolina Baptist Colleges and the Southern Baptist Convention

There are 52 colleges supported by the various Baptist State Conventions. The enrollment of the seven North Carolina Baptist colleges comprises about 15% of the total enrollment of these 53 schools.

While the Southern Baptist Convention does not own any colleges, there is a strong emphasis by the denomination upon Christian higher education through the SBC Education Commission. In the Baptist Faith and Message, adopted by the Southern Baptist Convention in 1963, the following statement occurs: "The cause of education in the kingdom of Christ is coordinate with the causes of missions and general benevolence and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people."

The Mission of Baptist Colleges

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, and the broad programs of our denomination.

STATE MISSION REPORT

Baptists believe in World Missions. The Baptist State Convention was founded "... to promote missions, evangelism, education, social services ..." (BSC Constitution, Art II). The Southern Baptist Convention was founded "... for the promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises, and social services ..." (SBC Constitution, Art. II.). Much further back in history, it is written: "And He said unto them, Go ye into all the world, and preach the gospel to every creature." (Mark 16:15).

Includes State Missions

Believing in World Missions, of course, includes believing in State Missions. Too often, however Baptist have emphasized World Missions only in order to support missions on the other side of the world. In fact, the very word, "missions," means to some people that which takes place in another country far removed from home. The plain fact is this: North Carolina is a mission field. It is just as much a mission field as North Dakota or North Vietnam. Mission needs exist in Winston-Salem just as they do in Jerusalem.

Variety of State Missions

North Carolina is made up of a variety of people with a variety of mission needs. State Missions takes place in resort areas, Indian reservations, shopping centers, correctional institutions, inner-city projects, child care centers, college campuses, migrant work camps, military centers, or any where people meet and have needs. State Missions takes place in local churches, associations, regional and state conferences, camps and assemblies, Fruitland Baptist Bible Institute, seminary extension courses, or any where people meet to prepare to meet needs.

State and Home Missions

Increasingly, the Southern Baptist Home Mission Board is directing its work in the pioneer mission fields outside the south. At present, only a few Home Mission projects exist in North Carolina—and these projects receive two-thirds of their financial support from State Missions (Baptist State Convention). In terms of dollars and cents, North Carolina Baptists give over

one million dollars to the Home Mission Board (Cooperative Program and special offering) and received back less than ten per cent of that amount for Home Mission projects in the state. In the main, therefore, 'home' missions in North Carolina is supported by 'state' missions.

Support of State Missions

State Missions is supported by the Cooperative Program and the annual State Missions offering in September. The annual offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions) in terms of providing essential support for world Missions. The 1976 State Missions Offering goal is $400,000. The distribution of the offering, approved by the Baptist State Convention is as follows: $175,000 for the basic mission budget; $43,000 for the classroom building at Fruitland Baptist Bible Institute; $72,000 for the Caraway Conference Center; $10,000 for special mission projects; and $100,000 (or all over the basic $300,000 amount) to Long Range Planning Development at N. C. Baptist Assembly (Caswell).

CHRISTIAN ACTION LEAGUE REPORT

This past year the North Carolina Christian Action League has been involved with the problem of hard core pornography, massage parlors and beer and wine sales. An anti-obscenity and pornography ordinance has been drafted by our attorney, Mr. Allen Bailey, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several North Carolina cities and counties and is under serious consideration in other places in the state. Since this ordinance covers only a city, town, or county where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under preview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your district and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a $130,000,000. brewery in Eden, N. C. The company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer from Eden". In line with this increased production, efforts are being made to open up more outlets for retail sales in the state which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget support from the churches across the state. You are urged to support the League in this way and with your prayers for God's guidance in the work we seek to do. It is God's work that we are doing. We work for Him as we speak for you.

Again we thank you for your cooperation and support and prayers.

Respectfully submitted,
Christian Action League of North Carolina

BIBLICAL RECORDER REPORT

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the Recorder for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a Recorder club.

Each church needs to look at its budget carefully and then make provision to send the Recorder to each family. Although nearly 1,100 churches in the state have the Recorder in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life.

If this "packhorse", meaning the Recorder, is not going to every family in your church, may this be the year that you take this step.

Respectfully submitted,
J. Marse Grant, Editor
Biblical Recorder

HOMES FOR THE AGING REPORT

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one home in March of 1951 to five homes and an excellent nursing facility—from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the fund-raising effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph Cannon, beloved pastor and trustee of the homes, was called by the trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the state, for the happy and successful response that we have experienced thus far as we move toward making this additional home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home in Asheville will accomodate 50 people, and will bring the total capacity of our Baptist Homes and nursing care unit to 280. We

now operate five other homes and a nursing care unit—Resthaven, the Hayes Home, the nursing care unit in Winston-Salem, the Albemarle Home in Albemarle, the Hamilton Home in Hamilton, N. C. and the Yancyville Home in Yancyville.

In these homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—The Cooperative Program and the special offering for the homes, received on the third Sunday of February each year. Through these sources more than 35% of the homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible.

Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the development of the homes which we're excited about—the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

BAPTIST HOSPITAL REPORT

"Christian Stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christain ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients of highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the state legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors and construction has begun on a new building to house the new development of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

EVANGELISM REPORT

All churches have already received the booklet: GROWTH EVANGELISM: An Evangelism Planning Calendar for Pastors of Churches—1976-77. It contains suggestions for various evangelism emphases for local churches for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th State wide Evangelism Conference at the Civic Center Auditorium, Asheville, February 2-4, 1976. The theme was "Freedom in Christ". The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 41/2 years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of school there have been 896 professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week, June 14-18, at the North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance, and recreation. Fifty-three different types of decisions for Christ were made by youth.

More than 10,000 youth, pastors, and adult leaders attended the 6th Statewide Youth Evangelism Night, August 13, at the Greensboro Coliseum. Barry Wood of Lubbock, Texas was the guest preacher, and Larry McFadden of Gainesville, Florida was the guest soloist. Follow-up work by pastors and adults is always done with youth who make decisions from communities across the state.

Two summer youth evangelism teams directed youth revivals and youth witness training in eighteen churches across the state for a one week period in each church. There was an excellent response with youth making decisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W.—Win Our World— is included in this strategy and involves specific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival meetings and city-wide crusades during the past months.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro.

Your local Evangelism Committee has been working to find ways of promoting evangelistic outreach in the association and the local church. A rally with great inspirational preaching was held at Snyder Memorial on October 7, 1975. At least two events have been slated for 1977, a "Spring Happening" with Albert Long in March, 1977 and "A Deeper Life Conference" with Jack Taylor September 25-28, of 1977. Continue to pray for the work of evangelism from the local church to the ends of the earth.

Respectfully submitted,
Mack Roberts, Evangelism Chmn.

COMMITTEE ON MEMBERSHIP

Two churches at this date have officially requested membership into the New South River Baptist Association.

One, The Mount Calvary Baptist Church, Rev. James Bullard, pastor, offically examined the doctrinal beliefs, church policy and Church-Association, Church-State Convention and Church-Southern Baptist Convention relationship. They voted on March 28, 1976 to request membership into the association.

The other, the New Hope Baptist Church, Rev. W. Harold Bridges, pastor, organized in June, 1976 with a charter membership of about 128 (with 5 awaiting Baptism) has offically re-

quested membership into the association.

They also are aware of the constitutional provisions that even their request is presented for action by the association, that if the association does vote to receive them, they shall agree to come under the watchcare of the association for a period of one year. "During this period such churches shall be entitled to all rights and privileges of the association, except holding office and voting."

With these factors in mind, we recommend that these two churches be accepted into the association under the watchcare for the next year.

AMERICAN BIBLE SOCIETY REPORT

The Bicentennial of the American Revolution is here, and the churches across the country are planning how they will participate in the great celebration. The American Bible Society can help them, as it has in the past. The ABS (born in 1816) grew up with the new nation and made sure that its citizens had copies of God's Word to guide them.

Today the goal of the ABS is the same—the translation, publication and distribution of the scripture in the language of the people, without doctrinal note or comment and without profit. As a vital resource agency to the churches, the ABS works with the United Bible Societies to provide the Scriptures to people throughout the world. The number of Scriptures distributed annually runs into the hundreds of millions of copies and continues to increase.

Here are highlights of what the ABS and its partners did in 1975.

TRANSLATION AND PUBLICATION UPDATE

A milestone in the development of the common language translation will be reached late in 1976, when The Good News Bible, the entire Bible in Today's English Version, is published. To be released during the 160th anniversary year of the American Bible Society, this translation will be the Society's Bicentennial gift to the people of the United States.

GOOD NEWS FOR NEW READERS—TWO YEARS AND GROWING

The dilemma of the new reader unable to improve his reading skills for lack of materials is a problem familiar to the Bible Societies. The Societies fell that if "bridge materials" such as Good News for New Readers will return to illiteracy and never again have the opportunity to read God's Word. New Reader Scripture Selections take a new reader from the primer level to a reading skill that will enable him to understand Scriptures in his or her own language. Although Good News for New Readers is only two years old, it has already made its mark and attracted the interest of churches and governments. In North America and Europe, Scripture Literacy Selections are being brought to new readers in the first three levels of English and Spanish, as well as in French and Portuguese. In Africa, Good News for New Readers projects are underway in 53 languages spoken in almost half of the African countries.

A Way To The Word. In September of 1975, the ABS released a 16mm color film entitled A Way To The Word. Photographed on location in Brazil, Bolivia, Guatemala and Mexico, this film shows how the Scripture Literacy Selections are changing the lives of new readers in South America and around the world.

SCRIPTURE DISTRIBUTION

Scripture Distribution in the United States during 1975 reached a total of 109,469,781 copies, an increase of 11,181,000 over 1974. An unusual opportunity for distribution of Scripture arose with the start of America's Freedom Train on a 21 month, 17,000 mile journey around the U. S. At stops along the way, friends of the Bible Society presented copies of Scripture to the city's leading citizens as well as to visitors.

As the tenth anniversary of the publication of Good News for Modern Man approaches, distribution of this New Testament in Today's English Version has passed the fifty million mark. This is an achievement unmatched in (paperback) publishing history.

COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commit ment to the task Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

Last year, 1,126 churches increased their gifts throught the Cooperative Program by 15% or more, and 4 associations in our state had 100 percent of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, every month.
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, every month.
7. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October.

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES REPORT

The Christian Social Ministries Council has been a very effective group this year working

hard to establish a framework for a good Christian Social Ministries Program in our Association. I feel the necessity of a working committee if I am to be effective as a Director of Christian Social Ministries and our council has given me that support this year.

Dan Stiles has worked very hard at the Shaw Heights Mission Center. His hours have been long and hard but very fruitful. Under Dan's leadership a whole new day, with all the opportunities it brings, is dawning in the Shaw Heights Community.

Alberta Green is another faithful worker putting long and hard hours in her ministry to the alcoholics. Alberta has done an excellent job as Director of the Samaritan Goodwill Centers during the past year. She is effective in ministry and leadership and her dedication evident.

Often people in the difficult places of ministry are least appreciated but I hope our association will let these two people know our appreciation.

Next year we hope to continue growing in our Tutoring Ministry and put a greater emphasis on Youth and Family Services and Migrant Ministry.

Respectfully submitted,
Ron Pinkerton

CHRISTIAN SOCIAL MINISTRIES STEERING COMMITTEE

The Steering Committee of the Christian Social Ministries Division spent adequate time this year in defining the purpose of our committee and familiarizing the members with the C. S. M. ministries in the association, A tour of present ministries was conducted and important time was spent on committee structure and responsibilities and tasks of committee members.

The major work completed by the committee was a proposal for reorganization of the Christian Social Ministries Division of the New South River Baptist Association. Effective communication and involvement in the actual ministries was the goal of this proposal.

Directors for each department of ministry was established. These directors will be resource persons in their respective ministries and assist Mr. Pinkerton in the planning, promoting, guiding and correlating the ministry for their department.

The complete reorganization of the Christian Social Ministries Division has been completed by the Steering Committee and presented to the Constitution Committee to be considered and voted on by the total association at the annual meeting in October 1976.

Respectfully submitted,
Bob Carter, Chairman

SHAW HEIGHTS MISSION REPORT

At the beginning of this year Shaw Heights was without a pastor-director. By the first of November, the Shaw Heights Committee had recommended that Daniel P. Stiles be called as pastor-director of the mission center.

In the past year the following construction tasks have been done.

(1) The day care center building has been remodeled. This involved a substantial donation from Snyder Memorial Church, and volunteer labor from members of the Shaw Heights Mission.
(2) One hundred twenty-six feet of walkways have been poured.
(3) The front grounds have been landscaped and seeded.
(4) Plexiglass windows have been installed in our trailer Sunday School rooms.

In terms of organization, several improvements have been made. At the beginning of the church year, Shaw Heights had six workers on loan from other churches in the association. Now we are happy to say that is not necessary. We have been able to elect from our own membership a full complement of Sunday School officers plus other required leaders. Further, we have begun Royal Ambassadors, Girls in Action, and Acteens groups with church members assuming leadership roles. Plans are underway now to begin a Training Union for the mission. Already a Sunday School enlargement campaign has increased our enrollment in Sunday School to over 100. Our choir has 15 active members.

Statistically, we have added 33 members from October-October. Our annual income, i. e., local offerings, have increased from 1974-75, $4,224.55; to 1975-76, $6,258.92. The pastor made 595 visits and had 75 counseling sessions during the course of the year. Ninteen youngsters from Shaw Heights attended the camp at Wingate.

In addition to his duties as pastor-director of the center, Mr. Stiles served, in the association, on two committees; the Christian Social Ministries Committee, and the Camp Committee, and was one of the camp ground study leaders. Furthermore, he taught three Bible School Clinics in this association and two in the Robeson Association.

In addition to our regular church-centered worship services, Shaw Heights has a craft class on Tuesdays, Youth Night on Tuesdays, Brownies and Girl Scouts on Wednesdays, and now we have made our building available to be used by the people of the community to form a community development organization. Fourteen members were trained as Laubach tutors.

We thank God for this opportunity to serve Him and to offer worship opportunities to others in this place of worship.

Respectfully submitted,
Daniel P. Stiles

SAMARITAN GOODWILL CENTER REPORT

We have had a very successful year here at the Women's Division of Samaritan Goodwill Center. We, as of September 3, 1976, have eight ladies living in our home. We have had four ladies to be baptized after accepting Jesus Christ as their personal Saviour. Three of that four still live in the home. Of the eight ladies living here now, four have been here before and returned. Mrs. Margaret Liddle came to our home May 9, 1976, after staying here awhile last summer. Mrs. Liddle almost immediately went to work at M. J. Soffe. After working there awhile, she was able to get a job as an interior decorator with J. C. Penney. Another of our ladies, Mrs. Maxine Dunham, is working with the Allied Industries at Fort Bragg. Dessie Garner, from Asheboro, N. C. helps at the Samaritan Goodwill Store.

We have three very good meetings a week in our home. Some of the men from the Men's Division usually attend and occasionally we have folks attend from the general public. We have fed, I would imagine forty to fifty people for a meal or so have also helped some folks with some clothing. We, at the Women's Division very often have ladies groups from various churches to come bring us a program and sometime some refreshments.

The men at the Men's Division are doing a pretty good job of trying to clean up and fix up their home. Grover Baker, a resident of the Men's Division is manager of the Samaritan Goodwill Store. As of now there are eight men at the Men's Division. Each Monday night we have a very good Bible study that different people come to teach us about the Bible. Residents from both divisions go to Sunday School and church each Sunday at Cross Creek Baptist Church and then we all attend prayer service on Wednesday night. We try to have a good spiritual program for the residents in order for us to have a good foundation to go back to the outside world to hopefully become useful citizens.

Our folks are doing a real good job with our store both from record sales and our having helped several. Twenty-seven families that were burned out were helped with items such as clothing, furniture, and food from the store. We also have a food pantry at the store from which we have helped fifty-one families. Many times clothes are given to those who need them. We are in need also of usable furniture, appliances and clothes that we can put in the store to sell to help us support our homes.

The Samaritan Goodwill Centers have also moved from a postition of being several thousand dollars in the red at the beginning of the year to a position where they are operating in the black at the present time.

Respectfully submitted,
Alberta Green

HUMAN RELATIONS COMMITTEE REPORT

The Human Relations Committee work has been concerned mostly in working with the Union Baptist Association in jointly sponsoring events. There has been joint sponsorship of two such events during the past year. One event was a joint Brotherhood Sunday held on February 1 at the Friendship Baptist Church. Laymen from both churches and choirs took part in the program. The second event was a Semi Annual Revival that alternated between the black and white churches during the first week in June. The black ministers spoke at white churches and vice versa with the week ending at First Baptist Church on Moore Street where there was a covered dish dinner.

A good spirit of fellowship and Christian love is developing between some of the people involved and our hope is that others will also want to be a part of this sharing experience.

Ron Pinkerton, Director
Christian Social Ministries

MOBILE HOME MINISTRY REPORT

A survey this year showed that there were 535 parks with 9,509 spaces for mobile homes in our Association. If there is an average of four (4) people per mobile home, this means there are 38,036 persons living in these homes! A surprisingly large figure isn't it? The sad part of this figure is that most of these people are not being ministered to by any church. Perhaps part of the reason we are not reaching into the mobile homes is because of the frequency with which the families move. Another reason may be that we don't know what to do so we do nothing!

This year an effort has been made to find churches interested in doing something to reach the mobile home parks but so far, not one has committed themselves to making a sustainial ministry. The need is present, the Christian Social Ministries Division of the Association is ready to help and work along with you, but the ministry cannot be started until there are churches willing to commit themselves to this ministry.

Ron Pinkerton, Director

CHILDREN'S HOME REPORT

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Eastern North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Odum Home at Pembroke has been a vital part to our total ministry for many years. Groundbreaking ceremonies were observed there on Sept. 30, 1976 for the construction of a cottage for children, a recreation building and a residence for the director. We are deeply indebted to a fine host of friends throughout Southeastern North Carolina who have responded to the initial challenge by Mr. John Newton and Mrs. Harold Deal, both of Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate in Wilderness Group Therapy is meeting with significant success. The Duke Endowment has recognized the value of this special child care ministry to the extent of giving us a $75,000 Grant over a period of three years to insure adequate support for this innovative effort. Other child caring agencies across the nation are studying this program.

Due to the fine spirit of cooperation on the part of the First Baptist Church of Henderson and member churches in the Cullom Baptist Association, an emergency shelter will be opened in Henderson during the month of October. This facility will provide emergency care for children while plans are being made for longer term placement or their referral to other helping agencies.

Foster homes have provided excellent care for many of our children since the beginning of this program in the 1930's. Presently Eastern North Carolina has seventeen foster homes licensed to care for twenty-seven children. This program should continue to grow in the years ahead. Our greatest need in this area is for foster parents who will open their hearts and homes to serve children with special needs.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education, and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving Offering are vital to our existence. We thank you for every expression of your faith and confidence.

PRISON MINISTRY REPORT

This has been a wonderful year, one of the best in the past eight years. Our Lord has blessed us in many ways, through His guidance we have seen six hundred (600) young men and women accept the Lord and also had one marriage.

We wish to thank the Baptist Women from the First Baptist Chruch for their donation of chairs and hymnals, and to the donor for our drapes, and to the prisoners for the office furniture.

Many thanks to all of you for your prayers

Respectfully submitted,
Rev. Claude A. Carter

DIRECTOR OF CHURCH DEVELOPMENT REPORT

"For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ." Eph. 4:12. If I had to choose a verse to state the purpose of Church Development, this verse would best describe the work done through Church Development.

The most exciting and fulfilling part of my life began June 28th. I accepted the call of the association with a deep conviction that the Lord had led all the way.

I look forward to the work that lies ahead. The work of the special study committee has begun and I eagerly anticipate an in-depth study of this area of work. Many helpful things can evolve from this study.

Some projected plans for the future are as follows:

1. Exploring the use of Cablevision as a tool for home training of leaders within the church fields being served by Cable T. V.
2. Sitting down with each pastor in an in-depth study of the needs within his church programs that can be met through the Church Development Program.
3. Working in conjunction with pastors, locating church members with special abilities and developing programs that will utilize their talents in and through the church.
4. Continue working toward developing a comprehensive cassette-training program to be used by church leaders in home and car studies.
5. Compiling a job description for each church-elected position.
6. Planning an "M Night Program" next November that will introduce and expose church members and leaders to the training opportunities offered through the church and associational programs.
7. Training the associational leadership and making them available to the churches for their leadership training emphasis.
8. Spending more time "on the field" in an effort to become more available to church leaders.

It will be impossible to implement all of these during the next twelve months, but as time

and resources permit, they will be implemented on a priority basis.

Some long-range plans include exploring a student ministry in the colleges of the area and the possibility of some type of student ministry within the high schools.

Input from pastors, staff members and church members will be welcomed as we plan programs to help the churches become more what Christ would have them be.

Respectfully submitted,
Jack Robinson, Director

BROTHERHOOD REPORT

Many boys and men hunger today for opportunities to express their Christian faith in new and daring ways. They are searching for genuine Christian adventure.

These self-giving opportunities abound for Christian men and boys with the courage and trust to explore areas of need and the courage to become personally involved in efforts to meet those needs.

Such opportunities are community-wide, nation-wide, or world-wide. Seeing these opportunities depends upon the vision, depth of concern, and the degree of commitment of Southern Baptist men and boys.

Brotherhood is the program men and boys can use to help meet these opportunities.

Brotherhood is a study-action effort that motivates men and boys to witness and minister at home and abroad in ways never dreamed of before.

Brotherhood is not a separate independent movement. It is part of the church's total effort to minister and witness in Jesus' name.

Brotherhood is sharing Christ with people who need the gospel.

Through mission learning experiences, Christian men and boys become motivated to help people with many types of needs.

Overwhelmed by the needs of people throughout the world for the Christian message, they respond with prayer and gifts when personal service is not possible.

Jack Robinson

W. M. U. REPORT

Woman's Missionary Union has had a great year in working for our Lord, but there is much to be done in the coming year.

The Leadership Course was held at Macedonia Baptist Church with an attendance of 225. This was an indication that the ladies in our association are really interested in missions.

Our annual meeting was held at First Baptist Church on April 12, 1976. The theme of our meeting was "Let Christs' Freedom Ring". Guest speakers were Rev. and Mrs. Zach J. Deal, Jr., missionaries to Colombia, who brought an inspiring message on our theme and presented slides on their work in Colombia. Special music was presented by the Associational Acteens Choir. Baptist Young Women presented a play entitled "Our Country's Hope" in keeping with our bicentennial year.

A prayer retreat was held at Central Baptist Church at Spring Lake. Mrs. Jane Parker, Missionary to Guatemala was guest speaker. Mrs. Parker gave a very interesting testimony on how God has answered prayer in her life as a missionary She also thanked the ladies and the association for all the prayers and support that had been given to all the missionaries at home and abroad.

Two WMU Scholarships were awarded this year. Miss Janice Jones, Stedman Baptist Church, and Miss Deborah Jackson, Baptist Chapel, were the recipients.

The WMU participated in furnishing cookies during Labor Day week-end at the Wade rest area. This was sponsored by the North Carolina State Convention and Campers on Missions.

Several age-level organizations were organized this year, and several recognition services

were held in the association in honor of Girls in Action and Acteens.

The WMU covets your prayers in the year 1976-77.

Respectfully submitted,
Mrs. Paulina Mercer

RECREATION COMMITTEE REPORT

This was our first year in the association to have an associational Recreation Committee. It has been an exciting year and one with a lot of progress made.

We had an Associational Softball League or program with five separate leagues of teams. We had leagues for men, ladies, youth (girls and boys), younger boys and girls teams, and still a younger league involving children ages 6-9. There were a lot of our churches participating, still more will participate in the coming year in this area of softball.

We had a most successful Associational Track Meet that was held at Douglas Byrd High School. Many of our winners went on to represent the Association in the State Meet that was held at Campbell College. We believe that still more churches will be participating this coming year in this program.

We had a Basketball League with most of the games being played at Massey Hill Baptist Church gymnasium. We are grateful to that church for the use of their facilities. Plans are being finalized now for the second year in basketball. We encourage churches to participate in this endeavor.

Other activities will be planned for this coming year and we sure wish to involve more of our sister churches to become a part of the total effort in recreation.

Respectfully submitted,
Jack Hinton, Chairman

VACATION BIBLE SCHOOL REPORT

For the first time this past year we had an all male staff of Vacation Bible School Leadership to train our churches in the VBS Leadership Clinics. We are truly grateful for each person that assisted us in this endeavor for Christ.

We had finer Vacation Bible Schools this time and it is very encouraging to note the number of missions schools. We had several youth groups participating in Backyard Bible Schools. We should plan to have finer schools in this coming year. This is one of the best ways to share in evangelism.

Listed elsewhere are the results of this year's schools.

Jack Hinton, Leader

CHURCH TRAINING REPORT

The Church Member Training Manual lists several benefits to be realized through a Church Training program.

These are:

1. Benefits to the Church
   (1) It infuses the church with doctrinal conviction.
   (2) It conserves the results of evangelism.
   (3) It cultivates church fellowship.
   (4) It provides the church with informed members.
   (5) It produces participating members.
   (6) It develops skilled workmen.
   (7) It builds the Sunday evening church service.
2. Benefits to the Individual
   (1) It helps the church member grow spiritually.
   (2) It helps the church member develop Christian skills.
   (3) It helps the church member live his faith.
   (4) It provides support and a sense of belonging.
   (5) It provides satisfaction and enjoyment.

Appropriating these benefits will be worth any effort one may exert to begin a Church Training Program.

Churches needing help should contact the associational Training Union director or the Director of Church Development.

Jack Robinson

SUNDAY SCHOOL REPORT

At the beginning of this report, I would love to extend a very hearty welcome to Brother Jack Robinson who came to us in July as Director of Church Development. Although he has been here just a short while, he has jumped right into the middle of things. He has been with us in three of the training conferences that were scheduled before his arrival, and has been a real inspiration to me. With his very able assistance, I feel that 1976-77 will be a great year for our entire association.

During this year, we have conducted two General Officer Conferences, two Children' Conferences, two Youth Conferences, and two Pre-school Conferences with great suppor from the State Convention. In March we had an Action Awareness Seminar which was wel attended and a great deal of interest shown by those in attendance. Thanks are also in order for Brother Jack Hinton and his fine staff for the fine work they did in the conducting of the three Vacation Bible School Workshops. In addition to these we have had a total of five conferences with individual churches.

The work in the Association has been very rewarding to me, and may I again stress the fact that if we can be of any assistance to any of the churches that they contact us at any time. If we do not have the answer, every effort will be made to get it.

Looking forward to a great Sunday School year in 1976-77.

Respectfully submitted,
Edward A. Rasberry, Director

CAMP COMMITTEE REPORT

Youth Camp—1976 was the largest ever attended! There were 367 campers and staff members present for a week of Bible Study, Missionary study, personal-spiritual encounter, and recreation. An estimated 60-70% of those who attended had previously attended at least one encampment. Over thirty churches in our association were represented by one or more campers. A few churches had over 30 present and one had more than 40.

During the week our campers saw films produced by Moody Bible Institute, attended Bible Classes, heard Rev. and Mrs. Hix tell of their experiences as missionaries to Okinawa and Tiawan, attended worship services conducted by our Chaplain, Rev. Carlton McDaniel and the Apostoloi Team.

Each afternoon was free time for swimming and recreation. Rev. Stan Cabell supervised the craft work as the campers made wooden cross necklaces, arm bracelets, and chokers.

Records are often hard to compile accurately, especially during the peak period of a deeply spiritual service, but from those who reported, we were able to determine that there were 40 professions of faith and over 150 rededications. One camper made a commitment to Missionary Service and several dedicated themselves to full time Christian service "wherever the Lord may lead."

I would like to express the thanks of the committee to the several staff members for the excellent work they did in preparation and presentation of their responsibilities.

Plans are already underway for Youth Camp--1977. We are making plans for over 400 campers next year. We hope you will be planning to attend with us.

Chairman
Youth Camp Committee

FOREIGN MISSIONS REPORT

Missionary Support

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1975 the Board had an overseas missionary staff of 2,667 (including 206 missionary associates, 156 missionary journeymen, and 5 special project medical workers). The 265 reinforcements for the missionary staff established a new high point in the number of missionaries sent forth in a single year. The new missionaries included 134 career missionaries, 20 who were reappointed, 29 missionary associates, 80 missionary journeymen, and 2 special project medical workers. These bring the total number appointed since 1845 to 5,641.

CAMPUS MINISTRY REPORT

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from

Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

CHURCH MUSIC COUNCIL REPORT

Your church Music Council has been privileged to serve many of you in the past year. We have assisted in the selection of music for purchase, supported you by the loan of music, given instruction to some graded choir workers, assisted some in the scheduling of guest musical groups, and planned the music for a number of Associational functions.

We were here to help you whenever possible. Please feel free to call on us.

CHRISTIAN LIFE COUNCIL REPORT

The emphasis of the Christian Life Council in 1976 has been twofold: citizenship and family relationships.

In January a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian Citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferences were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A single Adult Conference is scheduled for October 29-31 in Charlotte.

One of the most exciting developments is the creation of the Department of Christian Family Life. W. Douglas Cole will head this department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptists pertaining to everyday life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His commandments.

CHRISTIAN LIFE COMMISSION REPORT

In this Bicentennial year of 1976, the attention of the nation has been focused on Christian citizenship in particular and moral issues in general. Both are of continuing concern to Southern Baptists and to the Christian Life Commission. It is the responsibility of the people of God to strengthen and extend a Christian witness in a morally confused world where Christian morality is desperately needed.

Concern for Christian morality development is growing significantly among Southern Baptists. An increasing number of individua ls, pastors, and churches are substantially expanding

their commitment to applying the gospel and their involvement in a responsible penetration of the world and permeation of society with the whole gospel of Jesus Christ. Baptist commitment to a balanced and Biblical faith is deepening, concern for Christian morality development is growing, and commitment to be the salt of the earth and the light of the world is increasing.

Communication of the moral imperatives of the gospel has been undertaken by the Christian Life Commission and others of like mind and heart in the past year through a continuing output of sermons, articles, lessons, books, news releases, pictures, curriculum materials, pamphlet literature, and actions related to applied Christianity. Special attention has been given in local churches to applying the gospel as programs have been developed for Christian social action in the local church.

Conferences on applied Christianity have emphasized Christian citizenship, Christian answers to family problems, public education, and moral issues of particular concern in this year of national elections.

Five areas of Christian social concern have required the special attention of the Christian Life Commission. (1) Family life has been emphasized through conferences, sermons, pamphlets, specialized meetings for leaders, participation in national meetings where a Baptist witness for Christ has been borne, some major addresses, and guest editorials. (2) Race relations has been emphasized by distributing study materials and photographs related to Race Relations Sunday, by encouraging and assisting Baptists in the development of continuing dialogue, mission action, and ministries across racial lines, and by the continued distribution of educational materials and suggestions for action related to the Christian way in race relations. (3) Christian citizenship has been emphasized through the special promotion of Christian Citizenship Sunday, the dissemination of three books on Christian citizenship, heavy involvement in helping Baptists responsibly celebrate the nation's Bicentennial observance, preparation and wide distribution of special materials related to Christian citizenship, and the development of a new consciousness and a new commitment related to Christian citizenship. (4) Economics and daily work have received attention through articles written, literature distributed, messages delivered, special emphasis on Christians and daily work at Labor Day, and continued study and research to help Baptists apply Christian principles in this important arena. (5) Special moral concerns have received attention through education and action on such important moral issues as immoral television programing, violence obsecenity, pronography, abuse of alcohol and other drugs, the ecological crisis, gambling, criminal justice, abortion, divorce, sexual morality, and hunger.

In these and many other ways, the Christian Life Commission continues its task of helping changed people to change the world.

SEMINARY EXTENSION REPORT

Seminary Extension is one answer to the minister's need for a career-long program of continuing education. An extension of the six seminaries of the Southern Baptist Convention, it provides relevant learning opportunities for ministers and lay leaders all over America and in almost every section of the world.

Outstanding courses in biblical, theological-historical, and practical studies are offered in a network of extension centers throughout the United States. In an area in which there is no center, the Seminary Extension Department can assist concerned persons in establishing one.

Persons who prefer independent study can take most Seminary Extension courses through home study. Thus, educational opportunities through Seminary Extension are literally as close as the nearest mailbox to any English-speaking person anywhere in the world.

Because of the wide range in the educational backgrounds of ministers, Seminary Extension provides learning resources in three curriculum series. Organized by levels of difficulty, these three series contain resources suitable to almost any pastor regardless of the limitations or the extent of his formal education.

In addition to the courses offered through our seminars, two other opportunities for a program of continuing education is offered by the Cape Fear School of Theology and the advanced Bible Study taught at the Lake Lynn Church.

REPORT TO THE NEW SOUTH RIVER BAPTIST ASSOCIATION FROM POWELL PROPERTY COMMITTEE

Last year at the annual meeting we reported that we had offered the property to the N. C. Baptist Homes for the Aging and that their director, William A. Poole, had expressed some interest in the property but that he would make no commi tment since it would be necessary for the trustees to act on the matter. He also stated that at the present time the group was committed to the construction of a home western part of the state. He did state that he would present the matter to the trustees for consideration.

We have corresponded with Mr. Poole during the year and he informs us that since the trustees meet only twice a year it is difficult to get action on such matters in a short period of time. He informs us that the matter has been presented to the trustees and that they have taken the matter under advisement for further study. They hope to bring back a report to the trustees in January through the subcommittee which has been appointed.

We have no further recommendation concerning the property until the trustees of the Homes for the Aging have had time to consider the matter.

We have lost several members from our committee and we suggest that the Moderator appoint several new members to replace these as soon as conviently possible.

C. Wayne Ham

ITEM 5.

By-Law IV Section 1. Standing Committees

Add: In order to strengthen and make more effective the committee work within the association, the Associational Council, with the staff members, shall arrange for an annual orientation of all committee chairmen as to their responsibilities in keeping with their committee job descriptions and constitutional guidelines.

The responsibilities of the committee chairmen will include: faithful and regular attendance in the committee meeting, lead in establishing regular meeting dates for their committee, arrange for the notification of the scheduled meetings, see that minutes are taken of the meetings with copies being provided the associational office and the moderator, and that annual reports (not to exceed 300 words) be prepared as soon after July 1st as possible for use in the associational Annual Book of Advance Reports.

A. Appointed by the Moderator

Change from:

Delete the last sentence of this paragraph which reads:

These directors will then serve ex officio on the Nominating Committee and be responsible for enlisting the remaining leaders for each of their respective organizations for nomination at the May Executive Committee meeting (this will enable all the organizational leadership to avail themselves of opportunities for training during the summer assemblies).

ITEM 6.

SAMARITAN GOODWILL CENTERS ARE OPERATING IN THE BLACK OCTOBER, 1976.

October 12, 1976

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen .

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1976.

The following schedules are submitted.

Schedule "A"--Statement of Recorded Cash Receipts
Schedule "A-1"—Statement of Recorded Disbursements
Schedule "B"--Statement of Recorded Savings and Loans Outstanding
Schedule"C"—Statement of Recorded Cash Disbursements and Budget Comparison
Schedule "D"--Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1976. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding year.

Respectfully submitted,
Jullan C. Odom,
Public Accountant

Sub Section (3) Christian Social Ministries Division

The Christian Social Ministries Division shall be responsible for leading the associational program of Christian Social Ministries to the non-churched individuals. This division shall promote, train and encourage the individual churches to work in this area or join together with other churches to minister to the non-churched. An exception would be when a crisis arose in the life of a member of a church which the pastor felt required the aid of the Christian Social Ministries Division.

The ultimate objective of our ministries is to show Christ's love and concern in such a way that the non-church member enters into an active relationship with Christ and the church.

Christian Social Ministries Council

The Christian Social Ministries Council consists of the chairman, the department directors in the C. S. M. Division, chairman of C. S. M. committees, Mission Action leaders of the associational W. M. U. and Brotherhood, and persons trained by the C. S. M. Division as resource persons in specific ministry departments. The director of C. S. M., the director of Shaw Heights Mission, and the director of Samaritan Goodwill Centers will be ex officio members.

The Christian Social Ministries Council shall function in an advisory capacity to assist in planning, promoting, guiding, and correlating the total Christian Social Ministries program in cooperation with the over-all associational program.

The Chairman of the C. S. M. Council will be recommended for election by the nominating committee and will serve on the Associational Council by virtue of his office.

(a) Departments in the C. S. M. Division--The department directors will be recommended for election by the nominating committee. The initial departments will be: 1. Emergency Relief, 2. Literacy, 3. Youth and Family, 4. Institutional Ministries, 5. Church Weekday Ministries, 6. Migrant Ministries, 7. Mobile Home Ministries, 8. Mission Center, 9. Alcohol and Drug Rehabilitation, 10. Community Moral Issues, 11. Human Relations.

(b) Committees in C. S. M. Division--All committees will be assigned to a department and will work with the director of that department in carrying out their duties. These committees shall follow the Constitution, Article IX.

DEPARTMENTS IN CSM DIVISION

EMERGENCY RELIEF DEPARTMENT

The Emergency Relief Department is to organize ways of helping people with their immediate physical needs. This would include people affected by a natural disaster, people who have lost their home by fire, people who are transients and people who are affected by other unfavorable circumstances.

This department would also set up records to help discourage the abuse of this service and be available to coordinate this ministry among the associational churches.

LITERACY DEPARTMENT

The Literacy Department will seek to make the churches aware of the need of tutoring children, adults, and non-English speaking people. The department will help train volunteer tutors and help churches set up programs of tutoring. An effort will also be made periodically to bring the volunteer tutors together to determine the work that is being done as well as encourage them and update their training.

HUMAN RELATIONS DEPARTMENT

The Human Relations Department will work closely with Baptist Churches of other races in our associational area which are mainly the Union Baptist Association (Black) and some churches in the Burnt Swamp Baptist Association (Indian).

The responsibilities of this department will be to get acquainted with the leadership of the other associations so that they can work together on Baptist affairs and plan occasional joint meetings such as revivals, World Mission programs, and special programs.

The department will also survey needs of special mission projects, joint clinics, special summer programs and population trends of which the associations should be aware. An effort will be made to know and understand special problems affecting race relations in our association so that there can be a spirit of Baptist unity and fellowship among Christian brothers.

YOUTH AND FAMILY SERVICES DEPARTMENT

The Youth and Family Services Department will seek to stimulate concern for youth and families with the hope that churches will provide appropriate services for them.

The department will assist churches in selecting and training sponsors who will show love, friendship, understanding and warmth to the youth in conflict.

The department will work with the Literacy Department to coordinate activities so that the youth in conflict might have an opportunity for tutoring.

The Youth and Family Services Department will cooperate with courts, police, and community agencies in the best interest of the youth and their families. The department will seek to be informed by participating in events that bring about awareness of family needs and encourages actions that results in prevention, control, and rehabilitation of family and youth breakdowns.

The design of this ministry is the same as stated by the Home Mission Board. "This family oriented ministry is designed to help youth and families in need of services, such as the acting-out (behavior that is abnormal, aggresive and destructive to the person and/or to others, indicating the need for help) youth or delinquent; the delinquent; the neglected, dependent youth; the one parent child; parents; divorcees; and offenders."

MIGRANT MISSIONS DEPARTMENT

The Migrant Missions Department will be responsible to get information on the number of migrants in our association, the time of their arrival, the length of stay, the location of migrant camps and the cultural and language factors to be considered.

The deparment will seek to involve churches and train leadership to provide worship services for the camp (or camps), special care centers, Vacation Bible School, Literacy classes and ministry to physical and material needs.

The department will also coordinate the work of our association with that of other associations along the migrant route.

CHURCH WEEKDAY MINISTRIES DEPARTMENT

The Church Weekday Ministries Department will help churches show Christian love and concern through a larger ministry in the community designed to meet the physical, social, and spiritual needs of the whole person.

The department will encourage ministry in the categories of education, clubs, day care, senior citizens, prayer and bible study groups, human welfare, recreation and special projects classes.

The department will provide guidance and training for churches entering into weekday ministries.

MOBILE HOME MINISTRIES DEPARTMENT

The Mobile Home Ministries Department will seek information on the life styles and special concerns related to the mobile home resident.

An effort will be made to encourage churches to enter into a sustained ministry in mobile home parks through the use of Backyard Bible Clubs, visitation, Mother Clubs, Prayer and Bible Study groups, recreation, and other events designed to make contact with the mobile home dwellers and show concern for them.

COMMUNITY MORAL ISSUES DEPARTMENT

The Community Moral Issues Department will have the task of staying abreast of community events that would have a detrimental effect on moral fibre of the community, family or individual lives. This means staying in touch with the decisions of the local governmental decision bodies as well as conditions of the community as a whole.

This department would keep the churches informed on vital issues and help organize a combined effort when it is needed to deal with a moral issue.

The department would be aware of our governmental representatives and communicate the desire for a Christian perspective on important moral issues.

ALCOHOL AND DRUG REHABILITATION MINISTRIES DEPARTMENT

The Alcohol and Drug Rehabilitation Ministries Department will study the characteristics and needs of those dependent on alcohol and drugs. They will become aware of the community resources that are available to help persons with these problems. An effort will be made to find ways the church can more effectively minister to those who are respected in the community but still have a problem with alcohol and drugs. Some possible ways may be retreats, information programs, support groups, family and individual counseling, and various other means that may be available.

This department would act as a resource for the church and pastor in dealing with the drug and alcohol problem.

The department will also be aware of the ministry of the Samaritan Goodwill Centers and encourage associational support of this ministry.

INSTITUTION MINISTRIES DEPARTMENT

The Institution Ministries Department will survey the needs for ministry in rest homes, nursing homes, hospitals, prisons, jail, industry, shopping centers and other institutions. These needs will be made known to the churches so that they might have the opportunity to minister in these areas. Needs that will require the effort of the entire association will be presented to the Christian Social Ministries Council.

MISSION CENTER DEPARTMENT

The major responsibility of the Mission Center Department will be to work with and be aware of the program at Shaw Heights Mission Center. An additional responsibility will be to servey needs for additional mission centers, encouraging churches to become involved in mission center work, and offer guidance to the interested churches.

The department will keep the association informed of this work and encourage support of this ministry.

RESOLUTIONS

Whereas Baptist Chapel, Snyder Memorial, and Eutaw Heights Baptist Churches hosted the Fifty-third Annual Session of the New South River Baptist Association; and whereas Baptist Chapel and Clement provided the noon meal for the Wednesday session, and whereas Mr. & Mrs. Terry Terry and Mrs. Becky Cook had provided an inspiring program of Spiritual Music, be it resolved that the New South River Baptist Association, meeting in Annual Session on October 20th and 21st, 1976 do hereby express its heartfelt appreciation to the churches and individuals involved.

Assisting were three Spanish Speaking Ministers and several Spanish persons in the greater Fayetteville Area.

With only about 25% of the survey complete, we found there were about 50 families indicating a definite interest and concern for the establishment of a Spanish Speaking Church. We would like to recommend that our Association in Annual Session request that a Spanish Speaking Catalytic Missionary by located, at least for the time being, in the greater Fayetteville Area to give emphasis to this new phase of Mission Outreach.

It is understood that the State Convention and the Home Mission Board will provide salary, housing and travel. The Association and/or a local church will be responsible for providing an office, worship facilities, supplies, literature and other incidentals.

This would enable us to effectively utilize all our resources and/or develop our potential in the ministry of using and developing individuals for Christ." REPORTS

DIRECTOR OF CHURCH DEVELOPMENT REPORT

The ending of one year and the beginning of a new year brings on a time of reflecting and projecting.

In reflecting over the past year it is evident that a cross section of the leadership in the churches have attended one or more of the conferences held. In addition to conferences in the general area of church leadership we had two VBS clinics. This year we had two associational wide Youth Rallies with a good response for each.

As we project plans for next year the emphasis will be on personal consultation. I hope to consult with the leadership of at least one church per month. In the beginning, we will work at getting their program councils and church council functioning as the planning unit of the church.

In addition to consultation with the leadership, at least one conference will be held for each of the program organizations.

Another area will be video tapes. With the purchase of a video unit I hope to work with small groups in a workshop approach viewing a model session of a particular area of leadership, then discussing the "how to" with the group. In some of these we will be producing our own video tapes using the group as the "actors". You will be hearing more as we develop plans for small group training using video and cassette tapes.

Training Union remains a great concern. We have had several churches to begin a program. However, many others do not have Training Union. I hope by working individually with some of the pastors not having Training Union, we will see several more begin a program.

I am very optimistic about the new year. With the interest shown in personal improvement of leadership skills by the church leadership, I am confident the new year will be another great year for our Lord.

I have prepared a job description for each job in Church Development. In addition to helping those people serving in these positions, it will help church leaders to know what they can expect when these people come and lead a conference in their church.

In closing, I repeat the verse I began with last year, "He did this to prepare all God's people for the work of Christian service, in order to build up the body of Christ". Eph. 4:12 GNB

VACATION BIBLE SCHOOL

Two Vacation Bible School clinics were held this year. One at Roseboro First Baptist Church and the other at LaFayette. A team from the Bladen Association led the clinics. There was a make-up session held in conjunction with First Baptist Fayetteville for those unable to attend the regular clinic. Next year we plan to have our own team attend the State Clinic at Caswell. This team will, when their schedule permits, be available to assist local churches in addition to conducting the associational clinics.

A detail report of VBS in the churches is found on page 44.

MUSIC

A workshop on choral leadership and singing was held at Beaver Dam for choir members and directors.

In addition two clinics were held in September for group leaders. Plans are in the making for next year to have a workshop for choir leaders for each of the four age groups.

SUNDAY SCHOOL REPORT

The Sunday School Department has had to date a busy year, with twenty eight scheduled conferences in various areas of the Association. In addition, contacts have been made with several individual churches. We still have several conferences scheduled for the rest of the 1976-1977 year, and an Associational Action Campaign in October.

Our plans for 1977-1978 will be somewhat different, in that we plan only four Associational Training Conferences, but plan to be visiting and conducting conferences in the individual churches. Brother Jack Robinson and I have conferred on this matter and are in agreement that we can give better service to the churches in this way.

We of the Sunday School anticipate a great year ahead and ask for your prayers and support that it will become a reality.

Respectfully submitted,
Edward A. Rasberry
Director

TRAINING UNION

Why train? Several good reasons were given recently.

(1) It strengthens the Evening Worship.
(2) It builds self-assurance by "doing".
(3) It prepares youth for leadership.
(4) It strengthens Christian ethical values.
(5) It develops leadership skills.
(6) It strengthens Christian fellowship.
(7) It strengthens doctrinal conviction.

These are not automatic. It takes work. However, helps and materials are available to those who would like to strengthen or begin a training program.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union has had a good year. The Leadership Course was held at Village Drive Baptist Church with good attendance. It seems that the ladies in our WMU are always ready to learn more about missions and carry the gospel to the uttermost parts of the earth.

The missions offerings in our association was very good. Our 81st annual meeting was held at Lebanon Baptist Church on April 4, 1977. The theme of our meeting was "Mind The Future". Rev. Archie Jones, missionary to Cuenca, Ecuador was guest speaker. Rev. Jones brought an inspiring message and showed slides on the work he and Mrs. Jones does in Ecuador. Special music was rendered by Mrs. Robert Cook, Eutaw Heights Baptist Church. I wish to thank Village Drive and Lebanon for opening their doors to us and the fellowship we shared together. We also thank each church for opening their doors to each director as they visited their churc to better prepare them for Woman's Missionary Union.

One scholarship was awarded this year. Miss Kim Strickland of Stedman Baptist Church was the recipient.

The WMU Watchword for 1977-78 is taken from Isaiah 40:31. "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. For 1977-78 WMU has a special emphasis, Teach Missions: to be, to do. It is my prayer that every WMU in our association will be willing to be used of our Lord in the coming year, so that the church might reach out in BOLD MISSIONS.

I wish to thank all the ladies and pastors with whom I have worked these five years, for their splendid cooperation. This has been a thrilling experience for me. I thank my Lord for the privilege of serving Him in this capacity.

I now pledge my support to the leaders who follow me. I wish to thank the associational staff for their help during these years in which I have served. The WMU covets your prayers for 1977-78.

Respectfully submitted,
Mrs. Clarence E. Mercer

BROTHERHOOD

This year several churches have requested a meeting for their men to have the work of the Brotherhood interpreted to the group. Their has been an expressed interest in getting more men involved in the mission program of many of the churches.

In addition to the regular program of Brotherhood the Baptist men under the leadership of Mr. Ledbetter of Eutaw Heights and Mr. Brown of LaFayette held several "coffee breaks" at some of the rest stops over some long weekends.

Mr. and Mrs. Ralph Faires have held numerous workshops for R.A.'s. Ralph and Ruth are state approved workers for R.A.'s and were recognized at the State R.A. meeting for their outstanding work with R.A.'s.

CAMP COMMITTEE REPORT

Youth Camp-1977 was one of the greatest we've had yet. There were about 250 campers and staff members present at Wingate College for a week of fellowship, Bible Study, Missionary Study, recreation, crafts, and worship.

This year for the first time the ages of our campers were limited to those entering the seventh grade through college. By doing this, many of the problems we've encountered in the past were eliminated.

During the morning hours we had our Class Time, Film Features, and Missionary Time. The afternoons were free for recreation and crafts. Our evening worship services were led by our Chaplain, Rev. Floyd Helms, and Rev. Stan Cabell, who also supervised our craft work.

Throughout the week we could feel the presence of the Lord at work in our midst as many of our young people gave their hearts to the Lord Jesus Christ, and many others committed their lives to fulltime Christian service.

I would like to say in behalf of the camp committee that we appreciate the excellent work the staff members did in preparation and presentation of their responsibilities.

Plans are now underway for Youth Camp-1978. Any suggestions you might have which could make our camp even better next year would be greatly appreciated.

Glenn Hancock
Chairman
Youth Camp Committee

RADIO AND T.V. COMMITTEE

Plans for next year include expanding the concept of this committee to include the total news media area.

With the purchase of our video unit we hope to utilize the T.V. media more next year. Both the closed circuit and cable.

A workshop will be scheduled this year to assist churches in their efforts to better utilize the media in spreading the gospel in our area.

SEMINARY EXTENSION REPORT

Between the Fall of 1976 and Fall 1977 Seminary Extension Courses were conducted by the In-Depth Bible Study Center at Lake Lynn Baptist Church. Three semesters of classes, with three courses taught each semester, were offered. Class involvement varied from eight in one course to 30 in another course.

A professor from Pembroke State University and a local pastor served as instructors. Students participating were lay persons of various ages from 16 to 75, male and female, Negro, Indian, White, Puerto Rican, and Mexican. Several Ministers were enrolled from denominations other than Southern Baptist. Many different denominations were represented by laity. Educational background varied from elementary school to some who were seminary trained.

Future sites for classes will be Hope Mills, First Baptist Church and Marvin United Methodist Church.

This is an excellent means for deepening one's Bible knowledge. The cost is not prohibitive and no time away from one's job is required. For those who feel they can not enroll in a class with regularly scheduled hours, correspondence courses are available.

It is the desire of the committee that classes be scheduled for other areas of the association in the coming year. A local church or a group of churches can develop courses for Sunday School teachers or other lay persons by contacting Rev. Fred Hall, First Baptist Church, Hope Mills.

Ronald Loftis
Chairman
Seminary Extension Committee

STUDENT COMMITTEE

The committee has not met this year. However, some plans are in the making for the new committee to become more involved in affairs of our Baptist students in the local schools.

As a part of the work of this committee information will be available on summer missions, staffing at the assemblies and scholarships.

Your suggestions and input into the phase of the work will be appreciated.

RECREATION

One word can best describe the recretion program for the past year, Exciting!

We sponsored a basketball program, R.A. Track, and softball. There has been some interest expressed in a bowling league and midget football. Maybe enough interest will emerge to warrant beginning a program next year.

The Recreation Committee has been restructured with a different approach to over-seeing the recreation program of the association. In the future a sub-committee of the recreation committee and members at large will be responsible for each sport sponsored by the association.

A note of sadness prevails due to the death of Ray Downing of First Baptist in an auto accident. Ray had been very active in the recreation program of the association and First Baptist, Fayetteville. In the early beginning of the association becoming involved in recreation, Ray was very instrumental in the program through his leadership on the recreation committee. We join his many friends in Fayetteville in expressing our sympathy to his family.

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES REPORT

During the past year the Christian Social Ministries Council has been very active. With the vacancy created by Ron Pinkerton's resignation the council has had an added burden. Chairman Bob Carter has done an excellent job in keeping the council together. He has been ably assisted by Jim Coffman who has filled in for him on several occasions.

It should be said for the council, however, that each council member has assumed his/her responsibility, making the council very effective.

During the months of February through April the council worked cooperatively with the Director of Missions in determining God's leadership for securing a new Director of Christian Social Ministries. Under His leadership Ronald Loftis was extended a call and began work in this capacity August 1, 1977.

Areas of ministries the council has concentrated in this year have been: Shaw Heights Mission Center, Samaritan Goodwill Centers, Literacy, Emergency Relief, Human Relations, and Community Moral Issues. You will find reports of this work elsewhere in the Book of Advance Reports.

Our future efforts will be to continue these ministries and to develop organized projects which relate to Migrant Workers, Youth and Family Services, Language Ministries, Mobile Home Ministries, and others.

We solicit your prayers and personal involvement in these ministries in our Lord's name. What a marvelour opportunity we have through Christian Social Ministries work to share the love of Christ to the unchurched!

I am personally grateful for the privilege of serving with this council and for the joy of serving with the association in the capacity of Director of Christian Social Ministries in the name of Christ.

Respectfully submitted,
Ronald W. Loftis
Director of Christian Social Ministries

SHAW HEIGHTS MISSION REPORT

The work at Shaw Heights has continued to flourish in the past associational year. Of the many things that have been accomplished, there are a few that stand out as singular in their importance.

1. Shaw Heights has now organized a complete Church Training Department.

2. A building fund has been established which is intended for the building of a permanent sanctuary.
3. The Day Care Center is open and licensed.
4. We had three summer workers who did an impressive Christian ministry with our children.

The pastor fulfilled his pulpit duties and other functions as assigned. Pastoral visits are in excess of 760. Counselling sessions number more than 200. Speaking engagements at places other than Shaw Heights numbered sixteen. He worked as chairman of Human Relations Committee and was co-host to the Annual Semi-Revival. Other committee activities include Christian Social Ministries Council and Camp Committee.

Finally, the pastor was privileged to participate in Associational Camp as a teacher, in Vacation Bible School Clinics in Robeson Association as teacher, and in Urban Ministries Conference as recorder.

Respectfully submitted,
D.P. Stiles

HUMAN RELATIONS COMMITTEE REPORT

During the Associational year, the Human Relations Committee met four times to take care of its role definition. In addition the committee met twice with the members of the Layman's League of the Union Association in order to plan the Annual Semi-Revival.

The Annual Semi-Revival was a notable success. Of the six meetings all were well attended with most being a matter of a full house. The fellowship between the two Associations seemed to be greatly enhanced.

An outgrowth of this year's meeting was that both Associations became convinced of the need for closer fellowship and outright joint ministries where possible and most suitable.

As a result ministers of both Associations met on two occasions and propsed forming a joint committee for the Associations. This Committee is made up of the members of the Human Relations Committee of the Associations.

Respectfully submitted,
D.P. Stiles - Human Relations Chairman

SAMARITAN GOODWILL CENTERS REPORT

"Fear thou not; for I am with thee: be not dismayed: for I am thy God: I will strengthen thee: yea, I will uphold thee with the right hand of my righteousness." ISAIAH 41:10

Praise the Lord for leading us to the scripture He would have us use for this annual report. The Lord has been so good to us these past few months, and in turn we have tried to share His blessings with others.

In the homes we have shared meals with twenty (20) unexpected guests in the last year. We have filled the needs through the store, for twenty-five (25) emergency calls for families that were burned out. From the men and women's divisions together, we have had a total of ten (10) professions of faith this year. Praise the Lord!

We have a husband and wife team in charge of the men's division. Ron and Vanessa are doing a fine job through Jesus, our Saviour. Johnnie is now with us at the women's division and she is doing a good job so far.

We are also very thankful for the donations to our food pantry. We feel so much love for all of you who have given your support and time to us through your prayers, love, and donations. We just pray to God that He will continue to bless us through folks like you so that we might be able to share His Bounty with others.

We would like to close with a personal touch. This is a tribute to our director from all five of the ladies presently living in the home. The love we feel for Alberta has been expressed by one of our ladies, Rosalind, in this short but beautiful way:

Alberta,

I for one, want to thank you for the beautiful flowers. They built my ego and guard up when they were down.

We are lucky to meet some people wo when they do things out of love, they are like:

A mother who cares for her own (us)
A big sister whom you can tell your pet peeves to
A friend when you need a shoulder to cry on
A ray of sunshine when your way looks dim, and
A ray of hope when a little problem bothers you!

Our Board of Directors is currently looking into the possibility of caring for young men, ages 16-18, at our home for men. On August 19 we admitted our first young man.

We have also extended our store on Person Street to provide a separate room for appliances. Our men do an excellent job of repairing these appliances to be sold to those who cannot afford new ones. Thank you for your contributions and prayerful support of this work.

We request your continued prayers that we may do HIS WILL!

YOUTH AND FAMILY SERVICES DEPARTMENT
CHRISTIAN SOCIAL MINISTRIES DIVISION

The objective of the department is to provide moral and spiritual guidance and to develop self-reliance, independence, appreciative attitudes and relationships toward self, society, and God. Pastors and church leaders need to be aware of community agencies that work with youth and families. The Fayetteville Family Life Center is a counseling agency sponsored by the North Carolina Baptist Hospital. Services are also provided through the court counselors, social services, and the mental health clinic. The court counselors and social services have fine volunteer programs through which mission action groups or individuals can productively minister. In our area where youth crimes are above average, churches can do more to prevent, control, and rehabilitate youth delinquency. Volunteers are needed. The director has spent time in his first year in this office getting acquainted with community agencies who work with youth and families. A Parent Effectiveness Training Workshop was scheduled with a certified P.E.T. teacher. Tutoring by adults and mature youth is available through another department. The director is available for conferences with churches or mission organizations who are interested in ministering to you and family needs.

Respectfully submitted,
James R. Coffman
Director of Youth and Family Services

MIGRANT MINISTRY REPORT

One of the newest of our Associational Ministries is our ministry to the migrants. In Sampson County just this eyar there were around six to seven thousand migrants employed on various farms.

Some of the major crops the migrants helped harvest were: tobacco, cotton, sweet potatoes, peppers, strawberries, and cucumbers.

Thus far, our Association has been able to minister to some of the migrants through worship services and health kits.

As we look and plan ahead, the opportunities for service to the migrants are very numerous. Churches can help by providing health kits and other basic supplies such as clothes and blankets. Individual Christians are needed to go into the camps with the gospel. Your prayers are also urged in behalf of this ministry as we continue in the days ahead to minister to the migrants.

Respectfully submitted,
Glenn Hancock
Resource Person for Migrant Ministries

MOBILE HOME MINISTRIES REPORT

An area of ministry which we feel needs more attention in our association is the ministry to approximately 40,000 people in Mobile Home Parks. Many of the people are transients and never become involved in the local church. Many never have Christ shared with them except through radio or television. We believe our calling includes telling them about Christ.

We have already applies for a summer youth minister who will be assigned the responsibility of developing a program of ministering to occupants of Mobile Home Parks. However, the churches of our association do not need to wait until the summer to begin such a program - they can begin now. If you need help in planning and carrying out such a program our Christian Social Ministries Council will be very glad to assist you.

Respectfully submitted,
Ronald W. Loftis
Director of Christian Social Ministries

EMERGENCY RELIEF

In conjunction with the Associational Food and Linen Closet at the Samaritan Goodwill Store the Emergency Relief Committee has been able to help a number of individuals and families.

Many churches have responded with the collection of food and linens that can be given out, by this committee, to those in need.

This committee is working towards a central clearing log for all those aided by local churches, in order that no one can abuse the generosity and goodwill of our churches.

This committee fails to function without the help and support of the local church. There is always an ever pressing need for food and linens for this worthwhile project.

Respectfully submitted,
John Booth

CHILDREN'S HOME REPORT

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions... reaching out with a helping hand; it is evangelism... sharing the joy of life in Christ; it is love and affection... the giving of hugs and kisses and friendship; it is education... teaching an appreciation for the finer things in life; it is restoration... enabling families to function again.

Campuses at Mills Home, Thomasville, Kennedy Home, Kinston; Odum Home, Pembroke, and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The special wilderness therapy programs for boys and girls at Kennedy Home are meeting needs of children who cannot be served in conventional type programs. This program needs to be expanded to serve other areas of the state.

Odum Home construction made progress during the past year. The Sara Catherine Deal Recreation Building and the residence for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

The Cooperative Program and the Thanksgiving Offering will be extremely important in enabling us to continue these basic and essential ministries to children and their families. We encourage and welcome churches and individuals to visit any of our facilities and to see for themselves how meaningfully this great mission effort is being conducted to honor and glorify Christ.

LITERACY DEPARTMENT REPORT

Opportunities for tutoring are growing in our area! During the past year we had nine full time tutors and three part time. Twelve students from Brentwood Elementary School were tutored for the duration of the school year. One of these students has continued in the tutoring program during the summer.

As a part of the learning experience, the students were taken to Cross Creek Mall at Christmas for the purpose of purchasing a book from one bookstore. The Brentwood School Teachers told us this was a great motivation for the students.

Although all of our tutors have previously earned their certificate, some also attended a workshop at Lake Lynn Baptist Church in March, 1977. Eight additional tutors were trained in that workshop.

At the end of school we met with the teachers at Brentwood School. They praised our tutors and the work being done. They expressed a desire to have the students tutored every school day instead of two days per week.

At the request of Fayetteville Technical Institute several churches are making their buildings available for adult tutoring.

According to recent surveys, approximately ten percent of the adult population in the South are non-readers. This figure does not include non-English speaking people. In addition there are many school age children who are having difficulty in school because of this low reading level. The opportunities for ministry through the literacy program are limitless. If you would like to volunteer please contact Ruth Ann Thomas (425-1072) or Ronald Loftis (485-8791) or (425-2804).

A literacy workshop to be led by Mrs. Peggy Pinkerton is scheduled for October 3 through 5 at Arran Lake Baptist Church. Other workshops will be scheduled during the year as interest and time allows.

Respectfully submitted,
Ruth Ann Thomas - Literacy Department Chairman

CHRISTIAN ACTION LEAGUE REPORT

The N.C. Christian Action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography and the liquor-by-the-drink issue has been opposed at every turn.

In the legislative program of the League a questionnaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the diseminnation of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in North Carolina. The bill was amended many times, but the strength of the statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandise whiskey like apples and oranges,, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging". In other words, a restaurant

which qualified could have had both types of permits. This would have given North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornography bill, this measure passed the Senate by a 24 to 23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

CHRISTIAN SOCIAL MINISTRIES STEERING COUNCIL REPORT

1. The highlight of the Christian Social Ministries Department's year was the Urban Area Missions Conference held at the Trinity Baptist Church on Monday, February 28, 1977. This excellent workshop was sponsored by the City and Urban Metropolitan Missions Department of the Baptist State Convention of North Carolina. Topics discussed were Mission opportunites, changing communites, literary missions, apartment and mobile home ministries, occult ministry, migrant ministry, and alcoholic rehabilitation. Dr. G. Willis Bennett, Director of Graduate Studies, of Southern Baptist Theological Seminary was the keynote speaker.
2. Rev. Ronald Pinkerton resigned the position of Director of Christian Social Ministries to accept a similar post in the Baptist Association located in Winston Salem, North Carolina.
3. Rev. Ronald Loftis, pastor of the Lake Lynn Baptist Church of our Association, was named the new Director of Christian Social Ministries for the New South River Baptist Association.
4. Pre-planning and organizing for the new Association year dominated the committee's activities as Rev. Loftis accepted the leadership of the Christian Social Ministries Department.

PRISON MINISTRY

This has been a wonderful year, one of the best in the past eight years. Our Lord has blessed us in many ways, through His guidance we have seen six hundred (600) young men and women accept the Lord and also had one marriage.

We wish to thank the Baptist Women from the First Baptist Church for their donation of chairs and hymnals, and to the donor for the drapes, and to the prisoners for the office furniture.

Many thanks to all of you for your prayers.

Respectfully submitted,
Rev. Claude A. Carter

DIRECTOR OF MISSIONS REPORT

Ephesians 3:20-21 "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen."

As we come to the close of this associational year, these verses of scripture seem to be more significant and appropriate than I ever dreamed they could be.

In November of this past year, Rev. Ronald Pinkerton, our Director of C.S.M. work resigned to accept a similar position with the Pilot Mountain Association after being with us for 3 years.

During the next several months we sought earnestly to know His will in the filling of that position. God was of course, already at work preparing the hearts of the couple that would ultimately be called by the State Convention and our Association to fill the vacancy.

When, in July, our Executive Committee voted to call Ronald and Lib Loftis (during that same week the State Convention's Executive Committee and General Board also elected them to the position), we felt very fortunate indeed, to know they would be sharing in our responsibilities and would soon be a member of our Associational Staff.

During this year our finances have not matched the expenditures in the program of work. We fact that awareness that only through the increased financial support of our associational work a minimum of 5% of church receipts, will we be able to follow through in the work He has led us into as well as to "reach out" into "unreached areas" of work before us.

On this basis we claim by faith the fact that He is "able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us".

We ask that you join with us in our claiming by faith, His promises as we commit ourselves anew to the task of more effectively sharing Christ and His love with all those about us.

Prayerfully,
Charles A. Stevens

EVANGELISM COMMITTEE REPORT

The New South River Baptist Association Evangelism Committee has sponsored two major evangelically-orientated efforts for the past year. The first took place in the Spring of 1977, the Albert Long Happening. It was held in the First Baptist Church and we averaged over 1,000 in attendance. Over 100 commitments of various kinds were made for Christ.

Our second major project was the Eastern Carolina Conference on Revival, featuring Dr. Jack Taylor and Miss Bertha Smith, two of Southern Baptist's persuasive speakers. It was the committee's purpose to bring to our Association talented personalities whom we felt God could use to help our people.

The churches of the NSRBA have an excellent opportunity to increase their effectiveness in evangelism. Our State Department of Evangelism is working with the churches across the state in promoting three programs, each of which accentuates people involvement!

1. The Lay School of Evangelism is a workshop where our people are taught to use materials in witnessing for Christ. These materials have been

developed by the Home Mission Board's Department of Evangelism, and are called "WIN" (Witness involvement Now). Our Committee would urge the churches to involve themselves in WIN schools.

2. Another program offered for people involvement is called the Lay Witness Week-end in which laymen from across the state would come into the local church and lead in worship and in evangelistic outreach for the week-end. These lay-witness week-ends may be scheduled through the Brotherhood Department of the State Convention.
3. A third opportunity is the Lay-Renewal Week-end in which State approved consultants meet with the pastor of the local church and his committee to investigate the possibility of beginning a spiritual journey in the church.

The Evangelism Committee suggests that each church consider the possibility of involving herself in one or all of these spiritually-based programs. We're very fortunate to have our Convention emphasizing the spiritual life and evangelism at this strategic point in history.

AMERICAN BIBLE SOCIETY REPORT

The "Good News Bible" is here! In the fall of our Bicentennial year, the American Bible Society completed and published the "Good News Bible" in Today's English Version. This is the culmination of years of precise, painstaking translation work. It makes available for the first time, a faithful translation of the sacred text in a style of language readily understood by most people.

It was in November 1961 when the Rev. M. Wendell Belew wrote to Dr. Eugene A. Nida indicating a need for Scriptures "translated for the fourth grade level." A month later the project was underway under the direction of Dr. Robert G. Bratcher, a Southern Baptist. The New Testament was published in 1966. Acceptance of this common language translation was widespread and immediate. However, nowhere was there more enthusiastic reception than from Southern Baptists. The General Baptist Convention of Texas immediately made plans to distribute over one-million copies. Such reaction made the translation of the whole Bible imperative and led to the publication, and distribution of Scriptures without doctrinal note or comment and without profit. Since 1816 the American Bible Society has been making God's Word available to spiritually hungry people everywhere. At least one book of the Bible has been translated into more than 1,600 languages as of December 31, 1976.

Here are a few highlights of what the American Bible Society and its partners did in 1976 to meet the challenge.

GOOD NEWS FOR NEW READERS -- THREE YEARS AND STILL GOING STRONG

Just over three years ago, **GOOD NEWS FOR NEW READERS** was launched in Addis Ababa, Ethiopia. The goal of the Bible Societies was to provide Scripture Portions and Selections on graded levels for new readers in 100 languages. By the end of 1976 work had been undertaken in 286 languages.

In 1976 The American Bible Society released a new filmstrip entitled "Lives Filled With His Love." Shot on location in Brazil, Bolivia, Guatemala and Mexico, this color filmstrip shows the progress the **GOOD NEWS FOR NEW READERS** program is making in the lives of new readers in South America and around the world. The 611 bookings in 1976 made this one of the most popular of all the American Bible Society filmstrips.

TRANSLATION AND PUBLICATION UPDATE, 1976

A major item in the budget of the American Bible Society is translation of the Scriptures. At present, the Bible Societies are giving help directly and indirectly in 560 languages.

Scripture Distribution - Scripture distribution in the United States during 1976 reached a total of 114,769,046 copies, an incrase of 5,229,265 over 1975. One

million copies of the "Good News Bible" were circulated in the month of December alone, one month after publication.

Scripture Imprints - In 1976 the American Bible Society produced 15,227,850 Scripture imprints, of which 4,636,000 were requested by various Southern Baptist organizations.

HOW CAN THE SOUTHERN BAPTIST CONVENTION HELP PROMOTE THE BIBLE CAUSE?

Financial Support -- The American Bible Society thanks the Southern Baptist Convention for its support in 1976. The ABS budget for 1976 was $13,625,000 which is the largest ever in its history, representing an increase of $675,000 over 1975.

Income from the churches was also greater than the previous years. A total of $1,739.195 was received, of which $275,631 came from the Southern Baptist Convention.

Contributions from the Southern Baptist Convention since 1965 have been as follows:

1965	$226,731	1969	$232,765	1973	$253,857
1966	233,897	1970	233,186	1974	254,803
1967	218,509	1971	240,250	1975	238,554
1968	222,938	1972	233,752	1976	275,631

This report shows a steady level of support from the Southern Baptist Convention. An increase is needed in this time when inflation is driving up the costs and demands for Scriptures are rising. If the 9,300,000 resident members of the Southern Baptist Convention were to raise their level of annual support to $.05 per member, total giving would reach $468,100 per year. This modest amount per member is really needed in order to help made certain that the Bible Society will have the Scriptures needed by the Southern Baptist Convention for its ministries around the world.

The Bible Society asks for your continued prayers that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

BAPTIST FOUNDATION REPORT

Statement of Purpose

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of N.C. was approved in 1919 and chartered in 1920. The objectives of this agency of the Convention were clearly stated in its charter:

1. To promote the making of gifts...for the causes and objects fostered by the members of the Missionary Baptist denomination in the State of North Carolina, in their cooperative undertakings, and to provide a way of securing greater uniformity of purposes, powers, and duties of administration in the management and distribution of the gifts so made:
2. To receive, own, hold, administer, and distribute gifts of any kind...to be used for the promotion of the Missionary Baptist cause in general or any specified object of the Missionary Baptist denomination..."

The foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a trustee than as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes

decisions relative to specific or general recipients of trust income.

The emphasis of the Foundation is Stewardship. We seek to create an increased awareness of and interest in a total Christian commitment as it involves life and possessions. Certain aspects of our efforts are simply interpreting the Christian tenets regarding one's trusteeship of God's gifts. Other factors in our ministry involve technical and legal matters as they pertain to estate planning and distribution of assets. An understanding of these principles provide opportunities for individuals to become better stewards.

As the individual Christian is to be a responsible trustee, so the Foundation is to be responsible as trustee of these gifts entrusted to its safekeeping. It is the desire of the Foundation staff and Directors that effective and efficient management of operating funds and trust funds be a prime characteristic in administering our duties. We seek to be prudent in the investment of assets and seek maximum financial support of all Baptist institutions and causes.

The Foundation provides a unique channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists - forever - by naming the Cooperative Program as beneficiary of trust funds. This option, of course, is one of many. The specific institution or mission cause may be named as trust beneficiary or any combination of these.

METHODS USED

There are three prime methods now utilized through which gifts of possessions can be transferred to benefit Baptist endeavors. The most frequently used, and the source of most assets now held by the Foundation, is the testamentary gift. The charitable remainder trust has proved to be a valuable instrument to encourage lifetime transfers of assets. The third method is through the living charitable trust.

The testamentary gift is simply the transfer from an estate to the charitable cause by statement in a will.

There are a variety of approved methods of transferring property, securities, or money and in turn recieve annuity payments for life. Many of the annuity trust instruments meet requirements of government regulations permitting tax relief during the lifetime of the donor.

An outright gift of assets, where income or principal is immediately available for charitable causes, provides many benefits both to the donor and to the ministry being supported. In some instances, the residual estate heirs can be increased through this method of giving.

Any new endowment, as administered by the Foundation, will provide permanent financial assistance to our institutions as well as the total Convention Mission. As many individuals have stated upon establishment of a trust, they feel that they have become a part of what they are supporting. One Director of Associational Missions expressed with determination, when sharing the Foundation report with the 1975 Baptist State Convention. "Through our investment in the Foundation that supports the Cooperative Program permanently, we now are the Cooperative Program."

BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The

medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's outpatient department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193.942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involving in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graudate students in the basic sciences. The hospital also provided clinical facilities for 483 students nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the associational level and the state convention level, as well as their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust" and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationlize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusing Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local

congregation and in the denomination, interest is generated and cooperation results. Openess is therefore important, and the purpose of the **BIBLICAL RECORDER** is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N.C. receive the **BIBLICAL RECORDER** weekly. Already more than 11 churches in our state are providing through their budgets for the **RECORDER** to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. **RECORDER** circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the **RECORDER** to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. mail directly to your home address.

The **RECORDER** doesn't cost: it pays! Your church will be a healthier congregation if you provide the **RECORDER** for your resident families. It is the most widely read piece of literature recieved by North Carolina Baptists. No investment pays greater dividends.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist Colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college recieve some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian College. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

christian concern about the moral issues of our day has contiuned to mount in the past year. The moral problems plaguing contemporary society are increasingly grave. Immorality on television has continued to be a particularly sore spot which numerous groups have organized to fight against. The gambling industry has made steady inroads in many states and threatens in still others. Alcohol abuse worsens year by year. Captial punishment once again has become an important issue in 1977 with the occurrence of the first American execution in a decade. Race relations is a concern that languishes in a state of benign neglect. Hunger and poverty continue to take their toll on millions. Other serious moral problems, from the energy crisis to nuclear proliferation, confuse and endanger us. They must not be allowed to immobilize us. The mounting Christian concern of our day must be marshalled to combat this advancing immorality, for only in Christ is hope to be found.

The Christian Life Commission has been active this year in an effort to help Christians apply the gospel. Through holding conferences, distributing literature, making speeches, and preaching sermons, the Commission and its staff have sought to aid Baptists in becoming aware of and acting to solve the moral problems of our day.

A major thrust has been undertaken in the area of television morality. Early in 1977 members of the Christian Life Commission staff traveled to four cities across the nation and listened to what Baptist had to say about current television programming. The level of concern was even higher than expected. The Christian Life Commission also enlisted the aid of church members in four other areas to monitor network programs for their moral content. The information from this research has now been used to prepare a packet entitled "Help for Television Viewers." This packet has been distributed to Southern Baptist churches and a wave of concerned actions has resulted. In addition information gathered in the Commission's research is being shared with responsible officials of the television networks and the government. Continued involvement by all Southern Baptists is greatly needed.

In other activities as well, the Christian Life Commission sought to further the cause of Christian morality. This year's national seminar was held in Jackson, Mississippi, and dealt with setting moral priorities in the Christian life. A specialized conference in Nashville sought to help pastors and physicians come to grips with the awesome moral problems now emerging in the field of medical science. Also, a number of regional conferences held in various locations aimed at helping pastors and church leaders in the important task of "Applying the Gospel." Race Relations Sunday and Christian Citizenship Sunday were observed in many churches across our land; and the Christian Life Commission provided literature, posters, and other materials to support these observances.

The response of the Baptist churches to these and other efforts related to applied Christianity has been gratifying. The Christian Life Commission recognizes that only vigorously involved, changed people can change the world for Christ's sake. By God's grace, the Christian Life Commission will continue to help in this vital task.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council majored on two aspects in 1977 -- the family and legislative issue. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadershp, the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the

National Single Adult Conference at Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amemdment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witness in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and Mission support.

In I Corinthians 3:9, the apostle Paul says,"... we are labourers together for God". We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $_____ through the Cooperative Program. Our goal was $_____. Last year our churches gave $_____ for Associational Missions. Our goal was $_____.

WE RECOMMEND THESE GOALS:

1. Each church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world Mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment".
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

FOREIGN MISSIONS REPORT

The primary challenge and objective in the plans embodied in Total Missions Thrust is to provide every person on earth the opportunity to hear the gospel by the close of the century. This will require an all-out effort by each Southern Baptist and by other Christian groups. It will call for the utilization of every means of communication possible by all Christians at home and abroad and for dedication of personal resources.

People who know the gospel have inescapable obligations toward other people and areas where the gospel is not known. God intends to make known his redemption through the church to the farthest extremities of the universe. Missions is an integral part of his eternal purpose.

The Great Commission makes the overseas task the responsibility of all Christians. With this divine mandate in mind, the Foreign Mission Board has made bold new plans for the last quarter of this century. These plans were adopted by the Southern Baptist Convention at its annual meeting in Norfolk, Va., in June 1976.

TOTAL MISSIONS THRUST: Global Discipleship is a statement of principles and a projection of plans, procedures, methods, and goals for Southern Baptist Foreign Missions. The plans concern two main areas of missions work -- personnel and programs. These efforts will require greatly increased support by Southern Baptists as well as expansion of geographic outreach.

TOTAL MISSIONS THRUST calls for total support by Southern Baptists. The stewardship obligations of Southern Baptists toward overseas missions rest upon all church members. Some Christians will respond through missionary service, but all need to respond in prayer, giving, continuing concern, and personal involvement.

If we, as Southern Baptists, fail to support workers for the harvest through prayer and concern, we should not be disappointed that the program is not larger. If we are not good stewards of God's substance, we surely can understand why many urgent needs must go unmet.

The time-frame for TOTAL MISSIONS THRUST: Global Discipleship is now, the last quarter of the twentieth century.

"We must work the works of Him who sent me, while it is day; night comes, When no one can work" (John 9:4, RSV).

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1977.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparison

Schedule "d" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1977. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding year.

Respectfully submitted,

Julian C. Odom

Finance Committee recommendations to the Executive Committee in September and approved by the Executive Committee for recommendations to this annual session include:

-----That the Associational Fiscal year be on a calendar basis beginning January 1, 1978.

-----That the Budget we have used for the year 1976-77 be the basis for the operating budget for October, November, and December of 1977.

-----That the budget being recommended at this session, on being approved, will be effective January 1, 1978.

SUGGESTED CHANGES IN THE 1978 PROPOSED BUDGET

Some adjustments throughout the budget are being suggested. There are some items changed, deleted or combined - -

In Section B. Two items are deleted for this year since there are no specific plans that would require finances:

(1) B.S.U. (Colleges)

(2) Early Childhood Education

In Section C. The reduction for the Samaritan Goodwill Center does not mean less emphasis, but rather the fact of the Samaritan Goodwill Center, Inc. financially being in much better condition than in recent years. Sales from the store or Person St. have far exceeded sales previously.

On the other hand Shaw Heights, at this time, is in a greater financial need and the additional support is desperately needed.

In Section D.

Item 1. The Minister-Deacon Workshop item of $1,000 is being included in the suggested item listed Fayetteville Family Life Center for $2,400. This would mean $200. per month for contracted time of at least 6 hours a week in personal counseling, special associational conference leadership, workshops for pastors/pastors wives, special emphases on Christian family life, retreats, etc.

Item 4. Office equipment and maintenance includes the amount deleted "special office equipment". For convenience these two have been combined. Specific amounts for sections related to the vacant staff position, Director of Church Development, will be recommended later when finances and circumstances indicate such should be presented for action.

Items 11 and 12 include the amounts suggested from last year's budgeted item: Life and Long-term Disability.

The suggested total operating budget at this point, is $14,000 less than the 1976-77 budget.

IN MEMORIAM

H. Eugene Spell

This is the title of a poem that Brother H. Eugene Spell has written while a pastor at Hickory Grove. It was used in the memorial service held for him at the church.

As I read it in preparation for the service, I could almost hear him saying the words. They were so expressive of his concerns and attitudes in his day by day experiences with others.

He was pastor, preacher, principal, teacher, leader, listener, and as Brother Roger Jackson expressed in the service, he was also a scholar.

In the days since the service I have heard a number of people express their love and appreciation for him as a person, a gentleman, and counselor in the Beaver Dam Community as well as in the District Seven Elementary School where he had been serving as principal.

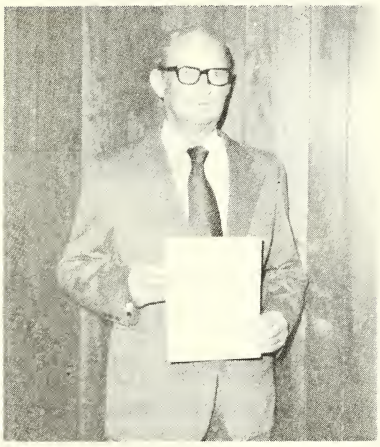
He was a gentle person ever grateful for the words of concern and wisdom from each and every person – his friends. Brother Spell expressed it this way . . .

> "With words of wisdom from their lips softly flowing,
> It was easy to see the kind of life they were sowing....!
> I think of them mostly as workmen so true who helped
> for a while the hull of my ship to hue"!

Family and friends alike have so much for which to be grateful – an unpretentious, unassuming person, gently molded and used as a channel and instrument of His love and life, radiating greatness and graciousness in his pilgrimage of almost 54 years.

We are the benefactors for having known and learned of him.

IN MEMORIAM



Rev. Gibson Lockerman

One of our most faithful ministers has passed away.

Three of the churches he had served for a long period of time in our association were Mary's Chapel, Union Grove and Corinth. A combined ministry of about 70 years in these three churches has left its mark in the lives of many people, young and old alike.

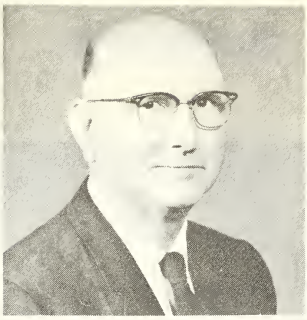
Brother Gib, as he has been affectionately called, was called into the ministry and began his ministry while continuing in his carpentry trade.

While he had no formal training for the ministry, Brother Gib was one of the wisest, most understanding and faithful ministers I have ever known. He knew how to relate to people; he knew how to build trust and strengthen faith in those he sought to serve. People loved him because he was such a loving pastor; people trusted him because he had consistently proven himself trustworthy; people listened to him, not because he was such a great pulpiteer, but because he was such a great man in day by day living.

Brother G.N. Ashley, former pastor of Brother Gib and fellow pastor with him in the Salemburg area for the years of his ministry, expressed at Brother Lockerman's funeral, "a great man is fallen", and truly this is so.

He was so genuine, modest and unassuming. His humbleness and tenderness, his willingness to give of himself whenever the needs arose and whatever the circumstances were, seemed so characteristic of him in his family life as well as in the "calling" that was his.

As an "Ambassador for Christ" he was an appropriate and great representative. Our lives are richer because we have known him.



RESOLUTION

SPECIAL RECOGNITION OF REV. G.N. ASHLEY

WHEREAS, Rev. G.N. Ashley, a graduate of Buies Creek Academy, Wake Forest University (B.A. 1928), Duke University (M.A. 1930; B.D. 1931) and a participant in the American School of Oriental Research, Jerusalem, on scholarship from Duke University, serving as supply pastor at the Lottie Moon Mission in Jerusalem; and,

WHEREAS, Rev. G.N. Ashley has served as pastor of the Long Branch Church since 1944; and,

WHEREAS, he has served our Lord as pastor for 53 years and continuously in the New South River Baptist Association since 1928; and,

WHEREAS, he has served as pastor at Autryville, Center, Clement, Elizabeth, Judson, Long Branch, Roseboro, Salemburg and Sharon in our association for an accumulated total of 185 years and in other associations for over 32 years, or an accumulated total of 220 years; and,

WHEREAS, in his ministry he has performed some 850 weddings and 2800 funerals; and,

WHEREAS, he has served so fruitfully in so many churches of the New South River Baptist Association and other associations, as well as in many places of leadership in the New South River Baptist Association, and who has given our denomination loyal support, personal involvement and prayers and has led the churches he has served to this same loyalty and concern.

THEREFORE, BE IT RESOLVED:

That the New South River Baptist Association in its Semi-Annual Session meeting at Center October 17 and Salemburg October 18, 1978, give appropriate expressions of appreciation and love to Rev. G.N. Ashley.

Respectfully submitted,
R.B. Spell

NEW SOUTH RIVER BAPTIST ASSOCIATION

PREAMBLE

We, the members of Baptist Churches in the County of Cumberland and adjacent territories in Sampson and Hoke Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I-NAME

The name of this body is the New South River Baptist Association.

ARTICLE II-PURPOSE

It shall be the purpose of the Association to advance Christ's World redemptive mission among men, to foster and nurture fellowship among the Baptist Churches within the bounds of the Association, and to promote the causes of the Baptist State Convention of North Carolina and of the Southern Baptist Convention.

The means of accomplishing these ends shall be in strict conformity with the teachings of the New Testament.

ARTICLE III-MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation, and supports the objects of this association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member Churches may also withdraw as they desire.

Section 3. Churches desiring membership in the Association shall apply to the membership committee, and if recommended by this committee and accepted by the Association, shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the

committee, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. BOLD MISSIONS TEAM RECOMMENDATION

In order for a more effective continuity of planning and work to be realized in our Bold Missions effort we recommend the key leaders attending Ridgecrest this year from our association be our Bold Missions team through 1980. These will work with other elected associational leaders in corresponding responsibilities for the planning and implementation of the Bold Missions Thrust in our association.

CONSTITUTION COMMITTEE REPORT

After two meetings to revise and update the constitution, we feel major changes need to be made for simplification.

This can make the Constitution more useful and meaningful, while allowing flexibility in programs and work of organizations and committees.

You will have ample time to examine and discuss suggested changes before official presentation and adoption by our association in session.

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the three months ended December 31, 1977.

The following schedules are submitted.

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparison

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the Quarter Ending December 31, 1977. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding period.

Respectfully submitted,

Julian C. Odom
Public Accountant

RESOLUTIONS COMMITTEE REPORT

1. Whereas, First Baptist of Hope Mills and White Oak Baptist Churches have both invited and served as host churches for the May 1978 Semi-Annual Session of our Association,

   BE IT THEREFORE RESOLVED THAT, we go on record as opposing Senate Bill 735 and that a copy of this resolution be sent to the Representatives of Cumberland, Sampson and Hoke Counties.

   Be it further resolved that we encourage the members of the churches of our Association to contact the representatives of their respective county and express opposition to this bill.

DIRECTOR OF MISSIONS REPORT

This is the year when Bold Missions has become more real for us in the New South River Baptist Association.

We had our first semi-annual spring session in May with the First Baptist Church, Hope Mills. Rev Fred Hall, pastor and the White Oak Baptist Church, Rev. M.L. Haywood Pastor.

The impact and significance of having both the spring and fall session for our association has not yet been developed to its greatest potential. It has been a great step forward in keeping the challenges and the needs of the association before our people on a more regular basis. Reports and presentations have been the means of letting our people know more about the work. This has encouraged more personal envolvement and more steady support from the churches.

Other emphases of the association this year has been a focus on adopting goals in keeping with the Bold Missions Thrust concerns of our State and Southern Baptist Convention.

Some of the areas of this focus are evangelism, Sunday School average attendance, church receipts, Cooperative Program and Associational Missions. One major challenge is that of beginning 8 new churches and missions during the next four years.

It has been such a joy during these months working with the staff we now have.

This has been Brother Ronald Loftis' first full year of service as Director of the C.S.M. Division. He has been so effective in the work and he has meant so much to me personally during this time -- more than I had dreamed possible. It's such a joy having him with us as a team member.

Our most recent staff member is Mrs. Mary Nix, wife of Leonard Nix, pastor at Pleasant Grove. She serves as secretary to Brother Loftis, and is a very valuable person as a part of the staff.

Mrs. Helen Grooms has been with us about four years with about 2 years of this being full time as Graphic Arts Specialist. Our churches continue to request the skills and services in printing for more and more of their printing needs.

Mrs. Carolyn Surrett is now in her sixth year as a staff member. Her dependability, faithfulness and cheerfulness in so many different circumstances has meant so much to all of us in the office. Her trustworthiness in confidential matters, along with her openess and honesty has been such an asset as we have sought to serve the association.

Mr. Perry, our Bookkeeper, has been with us since 1970. We all love him so much. His exactness in handling the financial matters and yet his awareness of God's call to him in this specific place of service has done much to give direction and counsel in so many concerns, effecting our total associational life.

The work load is so heavy at times, but with staff members like these with whom we can pray, share the burdens as well as the joys of our work, persons in whom we have such complete trust, the work load is not nearly so heavy.

May God grant that this year will be the greatest ever as we seek to serve Him together.

Respectfully submitted,

Charles A. Stevens, Director of Missions

A LOOK AT THE ASSOCIATION

The beginning of all missions is the local church and the base for cooperation of churches in their missionary endeavor is the Association. How much do you know about the needs and the opportunities in the area served by churches of your Association?

1. Definition - A Baptist Association is a self-determining body whose authority is derived from the action of the messengers elected by the churches. Usually located in a limited geographical area, these churches have voluntarily associated and have established organizations for Christian fellowship and cooperation in advancing Christ's kingdom. An Association is dependent on the churches that created and sustain it, and is autonomous in relation to other Baptist Bodies. (From Southern Baptist Interagency Council).

2. Scriptural Basis - The very pattern of Associational Missions is founded on the New Testament. Early church activity set the precedent that may be followed by present-day Associations as they carry out their functions of service to the churches.

   Several New Testament examples may illustrate:

   (1) The series of four church councils in Jerusalem provided meetings enabling the churches to counsel together concerning doctrinal positions and missionary polity. (Acts 11:1-18; 15:1-29; 32:17-26; Galations 2: 1-10)

   (2) The cooperative activity of a group of early churches in benevolent and missionary purposes. (Acts 11:27-30)

   (3) The united efforts of several churches in raising money to be used to aid the Christians in Jerusalem and Judea. (I Cor. 16: 1-4; II Cor. 8: 1-2)

(4) The work of the Apostle Paul and Tomotheus in the establishing of new churches and the strengthening of established churches (Acts 16:4-5)

3. Historical Basis - The date and place of the organization of the first Baptist Association in England is unknown. In 1707, the first Baptist Association in America was formed in Philadelphia, Pennsylvania. In 1751, the second association in America was organized at Charleston, S. C. In 1758, the Sandy Creek Association, N. C., was organized. After 1765, Associations in America multiplied rapidly. In North Carolina today, we have eighty Associations.

4. Objectives

(1) To afford and promote a larger fellowship of Christians in the work of Christ.

(2) To discover needs which cannot be met effectively by any one church and to coordinate the use of resources in the meeting of the needs.

(3) To provide such programs, projects and organizations as will strengthen the churches and assist them in achieving their goals and objectives.

(4) To encourage support by every church of the mission causes of the Association, the State Convention and the Baptist Convention.

(5) To explore together and affirm the Biblical doctrine, polity and ethical standards of the churches and to interpret the Baptist position.

All the objectives are designed to assist the churches in majoring upon evangelism, missions and stewardship. (From Southern Baptist Interagency Council).

A BRIEF HISTORY OF

NEW SOUTH RIVER BAPTIST ASSOCIATION

The history of the New South River Baptist Association had it's beginning in the hearts of messengers from twenty-eight churches from the Cumberland Association, and messengers from twenty seven churches from the South River Association who met at Autryville to consider the consolidation of the two Associations on March 24, 1924. The Reverend Mr. W.J. Jones was appointed to chair the meeting and J.R. Thaggard of the Cedar Creek Church was the clerk for this meeting.

A motion was made by Brother J.S. Snyder of Fayetteville that the persons recognized as delegates from the two Associations be recognized as delegates for the organizational meeting. A tentative Constitution was read by G.S. Turner of Fayetteville. During this meeting, a vote for consolidation was taken. J.A. Oats of Fayetteville suggested that the newly formed Association be called the "South River Association", but a Mr. Johnson of Cedar Creek made a motion to change the name to "The New South River Baptist Association".

The first Moderator was the Rev. W.J. Jones of Salemburg; G. Scott Turner of the Massey Hill Church was the first Clerk and J.R. Thaggard of Cedar Creek was the first Treasurer of the newly formed Association. The delegates voted to hold the Annual Meeting on Wednesday after the second Sunday in October and continue through Friday. Autryville was selected as the location for the first Annual Meeting. Eight men were named to the Executive Board, with the Program.

Churches in the South River and Cumberland Associations, without Messengers to the meeting, were asked to join the New South River Association.

A Brief History of New South River Baptist Association
Continued

The first Annual Session was with the Autryville Church on Wednesday, 15 October 1924. Fifty churches were included in the uniform letters submitted. The introductory sermon was delivered by the Rev. Mr. J.M. Duncan. The remainder of the sessions' programs were organizational reports , agency reports and business periods. The treasurer reported a total of $171.61 receipts.

From this modest beginning of fifty churches, with a total membership of 5,920 and total funds in the amount of $171.61 the Association has grown to include 81 churches and missions with a church membership of 29,306 and an operating budget of $128,391-93.

During these fifty three years, strides of progress have taken place. In May 1946, the Association called the first Missionary, Reverend Waldo Early. Other Missionaries included:

Mr. W.W. Guthrie	Oct. 1947 - July 1949
Rev. Jospeh Watterson	Sept. 1949 - 1950
Rev. Thomas E. Walters	1951 - June 1957
Rev. Clyde Davis	July 1957-1959
Rev. E.C. Watson	1959 - Feb. 1963
Rev. Charles A. Stevens	March 1963 - Now

HOW ASSOCIATIONAL MISSIONS IS SUPPORTED

Associational Missions is supported in the following ways:

1. Through your prayers and the prayers of other people all over your association.

2. By your attending the Associational Meetings. These meetings are for you and are designed to help you in your work and to help you to get acquainted with other Christian friends.

3. By your being an officer in the Association, if you are called upon. It is a great honor and privilege to serve Christ as an Associational Officer or Committee Member.

4. By sharing in the financial support of the association. You can do this by giving your tithes and offerings in your church and your church giving a reasonable percentage of the offering plate dollar to Associational Missions.

5. Our association has approved a minimum of 5% of church receipts as the goal for support of our associational work. Several of our churches now give 5% or more for the associational work. A number of our churches are giving at least 4%. An increase of 1% each year can make a major impact on the work for Christ in our area.

AMERICAN BIBLE SOCIETY REPORT

1977 was the year in which more people were reached with God's Word than ever before in Bible Society history. Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort to "Let the Word Speak" to all people, the ABS and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries!

In 1946 the Americal Bible Society published its first Scripture Selection, the Sermon on the Mount. Scripture selections have since become the "seeds" of the Society. Because of their relatively low cost they could be shared more widely than New Testaments or Bibles. Once planted in the heart of the reader, the seed could then grow through Portions, the New Testament, and eventually, the complete Bible.

TRANSLATIONS

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never before had the Word of God in their own language, received a Portion of Scripture for the first time. By the end of the year, at least one book of the Bible had been published in a total of 1,631 languages, an increase of 28 during the year.

Some of the languages in which complete New Testaments appeared for the first time include Bawm, Kok Borok, Lumasaaba, Ma'di, Muyuw, Penan, Quechua: Imbabura, Yagaria, and Yipunu. For the people of Ecuador who speak Quechua: Imbabura, this is the first publication of any part of Scripture in their own language.

ABS VOLUNTEERS

Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 ABS volunteers who carried out local distribution programs in hospitals, schools, jails, missions, and places of business; presented the need of the Bible cause to churches; gave radio interviews; and recruited members for the Bible-a-month Club. These volunteers were operating almost 2,000 Scripture Courtesy Centers across the country by the end of 1977, an increase of nearly 500 over 1976. Also included in this army of volunteers were more than 12,000 Church Representatives who act as special links between the congregations and the ABS. Nearly 15 percent of these people represent the ABS in Southern Baptist churches across the United States.

The bible society ask for your continued prayers so that together with the churches of the Southern Baptist Convention and all willing Christians everywhere, our combined efforts to bring His Word to all those who are in desperate need of it will be blessed by God.

ANNUITY BOARD REPORT

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance accounts , investments earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.

2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church , agency and seminarian programs exceeded $12 million.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 -- including relief. Total assets climbed to $498,977,661 compared with $473,142,631 a year earlier.

BAPTIST FOUNDATION REPORT

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the decedants died without a written will.

2. Very little was provided for the church or any charitable cause through the wills that were probated (six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.)

3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.

4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist population in the state, a tithe of the estates of baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. Prepare a will or have their will updated;

2. Provide for their church pledges and commitments to be fulfilled through their will;

3. Seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church -- an amount equal to the entire church contribution to the Cooperative program in 1977. (And this was a substantial amount.) These two persons through their wills will double the church gifts to missions.

During 1977-78 fiscal year, the Foundation has received $198,139 in addition to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

BIBLICAL RECORDER REPORT

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the Biblical Recorder is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world, When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the Recorder pay? Recently the Recorder published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty nine of the 50 had a good Recorder club, many of them sending the Recorder to every resident family. The Biblical Recorder has a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the Recorder through the church budget at a cost of only 6 cents a week. Everyone benefits when the Recorder goes into every home.

The price of the Recorder remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the Recorder in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the recorder for information about such matters as liquor by the drink. This is only one reason for every church to have a good Recorder club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the Recorder in associations and churches. He is loved by peopleall over the state and we are glad that he will continue to be identified with the Recorder when needed for special assignments.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest Univeristy. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the council's staff.

A number of moral concerns were addressed by the council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichments, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the council. Various materials dealing with family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber", a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World hunger is an issue which haunts all of us. The council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their life-styles. Discovering the will and the way of Jesus is what the Council seeks to do.

MISSIONARY SUPPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. The appointment of 279 missionaries in all categories of service during 1977 exceeded the record of all previous years. Much prayer and missionary education in the church are reflected in this response to Christ's calling.

As of January 1, 1978, Southern Baptists were at work in 90 countries, with a missionary staff of 2,776 (including 2,365 career missionaries, 217 associates, 183 journeymen, and 11 special project workers). The new appointees included 127 career missionaries, 18 reappointments, 31 missionary associates, 94 missionary journeymen, and 9 special project workers. One person from the home office staff was appointed to missionary service, and one to journeyman service. The 1977 appointments bring the total appointed since 1845 to 6,147.

There was thrilling response to the Bold Mission Thrust, with the Mission service Corps and volunteers in missions programs. A total of 2,413 people in addition to the missionary staff went overseas in 1977 for periods of auxiliary service ranging from 2 weeks to 1 year.

EVANGELISM AND CHURCH DEVELOPMENT

Evangelism and church development are central to the objectives of missions: making disciples maturing disciples in the fellowship of local churches, and developing churches into a cooperative effort for a continued outreach. Churches overseas are stimulated by the Foreign Mission Board and its missionaries, but rather than being extensions of our churches, they stand in fraternal relationship with the Southern Baptist Convention. Accomplishments are largely those of national churches, leaders, and conventions, with the assistance of missionary co-workers and resources from Southern Baptists.

In 1977, membership of Baptist churches in conventions to which Southern Baptist missionaries relate exceeded 1,000,000 for the first time. More than 500 new churches were organized during the year and there were 98,715 baptisms.

SCHOOLS AND STUDENT WORK

Strong indigenous churches must have capable and well-trained leadership from among their people. Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. Baptists also sponsor theological schools and Bible institutes to prepare men and women for church and denominational leadership.

PUBLICATION WORK

Adequate supplies of all kinds of Christian literature are needed for the developing of vigorous churches; therefore, publication ministries are an integral part of Southern Baptist overseas missions. There are formal publishing centers in 21 countries and informal literature production programs in a number of other lands.

HOSPITALS AND MEDICAL CARE

Medical work serves the physical needs of thousands of people who would otherwise be neglected and often opens strategic doors for evangelism. In cooperation with national medical personnel, this witness is expressed by Southern Baptists through hospitals, dental clinics, dispensaries and day clinics,

continued

nursing schools, and other health care ministries overseas.

BENEVOLENT MINISTRIES

Social service ministries are closely related in motivation and results to medical work. Such ministries include agricultural programs, good will and community centers, orphans' homes, and direct relief. Direct relief work is not handled as a budget item, but allocations are made for emergency and recurring relief needs mainly from relief funds contributed by Southern Baptists for such pruposes.

Developments in connection with benevolent ministries were the adding of agricultural missionaries in several fields; expanded prison ministries in the Caribbean and in Thailand; planning for an old people's home in Mexico; the assigning of a social Ministries Missionary to Honduras; and ministries to persons with leprosy, to invalids, or to the bling in various countries.

BOLD MISSION THRUST

Bold Mission Thrust, the Southern Baptist Convention's plan to reach the nation for Christ – occupied a top spot in the attention of staff, missionary personnel and directors of the Southern Baptist Home Board during 1977. In cooperation with state conventions, the HMB devoted considerable attention and effort to working with both state and associational leadership in the implementation of Bold Mission Thrust plans. The staff of the HMB also was engaged in consultations with state leaders to select key cities and key under-evangelized counties for special BMT assistance. The agency provided special staff consultants to work with local forces in planning strategy and coordinating the use of resources. In 1977, Phase One of the concentrated effort gave attention to six metropolitan areas and some 60 counties.

MISSION SERVICE CORPS

As a result of action by messengers to the 1977 SBC annual meeting in Kansas City, Mo., the HMB is now deeply involved in developing procedures and recruiting volunteers for the Mission Service Corps. MSC has a goal of enlisting 5,000 volunteers to serve for one or two years, either in the United States or abroad, in an effort to reach the objectives of Bold Mission Thrust. The time-line for the recruitment is 1982. In order to better fulfill the action, David Bunch was elected in December to coordinate the entire MSC program for the HMB. By year's end, five persons were serving on the field, and 1,100 places of service had been identified and catalogued.

STAFF AND MISSIONARIES

At the year's end , the Home Mission Board staff reached 102. In the past decade, 29 positions have been added to the staff. During 1977, three new positions were added: assistant director of the language missions department, assistant director of church extension, and director of Mission Service corps coordination. During the year, the missionary force increased 338, growing to 2,830 persons under appointment. The increase came about through inclusion of the wives of those receiving Church Pastoral Assistance and new positions.

FINANCIAL SUPPORT

Again, during 1977, financial support of the work of the HMB was outstanding. Cooperative Program gifts increased 15 percent and contributions to the Annie Armstrong Easter Offering for Home Missions gained 11.58 percent. The HMB received $9.4 million in the basic CP allocation, plus $431,507 from the challenge section. The AAEO provided $10,745,968.

The 14 program areas and six support sectors are: Evangelism Development, Personal Evangelism, Mass Evangelism, Chaplaincy, Church Loans , Associational Administration Service, Metropolitan Missions, Rural-Urban Missions, Christian Social Ministries, Church Extension, Cooperative Ministries with National Baptists, Interfaith Witness, Language Missions, Pioneer Missions, Special Mission Ministries, Planning Section, and Services Section.

HOMES FOR THE AGING REPORT

Since becoming Director of Development and Denominational Relations for our Baptist Homes for the Aging, around three years ago, Ralph Cannon has offered to people, on the many occasions that he has spoken at Associational meetings, in churches, and special gatherings, a dollar bill if anyone in the group could name our current five Baptist Homes for the Aging, and the sixth Baptist Home under construction in Asheville. One person, only, in all this time, has taken his dollar away from him. Why not read this Associational Report real carefully and give him a "run for the money" the next time he asks for this information.

North Carolina Baptists have the following Baptist Homes for the Aging:

1. Resthaven, located in Winston-Salem, with space for 16 residents.

2. The Hayes Home and the Nursing Care Unit, in Winston-Salem with space for 46 residents and 79 patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed, either for Intermediate Nursing Care, or Skilled Nursing Care. There is also a duplex apartment complex at the site of the Hayes Home in Winston Salem, with a space for 120 people.

3. The Albemarle Home, in Albemarle with space for 30 residents

4. The Hamilton Home, in Hamilton, with space for 28 residents

5. The Yanceyville Home, in Yanceyville, with space for 31 residents.

6. The Western North Carolina Baptist Home, in Asheville, with space for 50 residents, now under construction.

This means that there will be accommodations for 300 people in all of our six Baptist Homes, the apartment complex, and the Nursing Care Unit, when the WNC Home, in Asheville is completed. It is expected to be completed and ready for occupancy by February 1979.

Our Homes have received vital support from our more than 3400 Baptist churches through two vital sources through the years: The Cooperative Program, which supplies about 8% of our total budget; and the special offering which supplies 16% of our total budget. These gifts are used to supplement the care of the majority of residents in our Homes are a life-line to residents who could not possibly pay the cost of care.

Since our February, 1978 offering for the Homes was the last Special Offering ever, we are greatly concerned that our churches and our people continue, in an ever increasing manner, their loyal support for the Homes. The total goal of the State Missions Offering for 1979, in which we will share with our other Baptist Institutions, and with the specific causes of State Missions in $2,000,000. Our Homes will receive $300,000.00 from this offering, if the total goal is reached. If not, we will not receive that amount. This figure of $300,000.00 from the time it was projected, until September of 1979, will represent a period of two years. During this period we will most likely have to borrow money to operate the Homes, since we normally receive $300,000.00 from the Special Offering.

Also, of great concern is the fact that we are scheduled to open the new home in Asheville to accodate 50 additional people, prior to the September 1978 State Missions Offering and with no additional percent of the Cooperative Program dollar. In fact, we receive 1 2/10% of the Cooperative Program, and this

continued —

percent has not been changed during the 27 years of the ministry of the Baptist Homes for the Aging. Though the Homes receive more money through the Cooperative Program than formerly, in dollars, around $155,000. the per cent of the budget of the Homes provided through the Cooperative Program has dropped 10% to 8%. The needs of the Homes for the Aging are greater than ever, and we are vitally concerned about how those needs are going to be met. It is estimated that we will need an additional $100,000.00 to operate the Western North Carolina Baptist Home. From whence shall this come? We believe that it will come from our Baptist people, that we are a people on bold mission for the Lord, that we will trust Him more for our needs, and pull together, in meeting the 1979 State Missions goal of $2,000.00, that we will give more through the Cooperative Program for all of our Baptist work and causes!

Of interest in our Homes for the Aging in projected growth and service is a new proposed wing to the Hayes Home in Win ston-Salem which will house 51 additional patients and residents and bring our total capacity in all of the Homes and the Nursing Care Unit to 351 persons.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. We must continue to prepare for them and move out, by the Lord's help, to undertake more for them in our churches, our communities, and in our Baptist Homes for the Aging.

Will you join us in our prayers and in our plans for those aging persons who look to us for help!

RADIO AND TELEVISION COMMISSION REPORT

The year 1977 was the best year the Commission has ever had in all respects. There were more professions of faith, mail response was excellent, and more public service time ($11.1 million dollars worth) was given by the stations and networks than ever before. The year's statistics provided an outstanding basis for observing the agency's fortieth anniversary in 1978. God's hand of blessing is on this work.

During 1977 your Radio and Television Commission again worked hard to "give the winds a mighty voice as the Bold Mission concept became reality." Dr. Billy Graham, speaking at the 1978 Abe Lincoln Awards program for broadcasters said religious radio and television "are among the greatest factors in the resurgence of religion in this country" and cited the Commission as a pioneer in the creative use of the media.

A series of 30 second spots featuring Southern Baptist leaders telling "what Baptists Believe" is one of the latest efforts in the denomination's Bold Mission Thrust to evangelize the world by the end of the century.

The spots were produced by the Radio and Television Commission for use on radio and television. They present the Baptist viewpoints about God, the Holy Spirit, the Bible, salvation, baptism, sin, the church, the Lord's Supper and the Lord's Day.

The first 11 Joint Venture Bible Study programs will be produced in the Commission's videotape studio during the week of August 14. The Baptist Sunday School Board is underwriting and sponsoring the series, which will be placed on television beginning in October. Subsequent production dates for the series are set for November and March, 1979. In addition to the TV programs, the Commission has asked to produce a radio program series utilizing much of the same material.

"The Baptist Hour", flagship program of the Commission entered its 37th year on radio with a drastic change in format. Still a half-hour program, it is offered in stereo and the format is much more informal than it used to be. Dr. Frank Pollard, pastor of the First Baptist Church of Jackson, Mississippi, is the current speaker on "The Baptist Hour" The entire series for 1978 was produced in Israel.

The Commission's radio programs are now well established, have stable growing audiences, and hold the promise of reaching many, many people with the gospel of Christ in the future.

At the end of 1977, some 2,885 stations were carrying Commission broadcasts, a significant gain of 10% for the year. There is every evidence that 1978 will top that. "Country Crossroads" can now be heard on 687 stations, "MasterControl"* is on 756 stations, and "Powerline" stations rose to 924 during the year and will doubtless reach the 1,000 station mark in 1978 -- the first syndicated program in the history of broadcasting to reach that level.

New program, "Streams in the Desert," was introduced in 1977. With only minimal efforts, the station list rose to 94 by year's end. A nationwide potential of more than 500 stations is possible for this inspirational new program.

The commission launched two new series of television programs early last year -- "Listen" and "The Athletes." Response from the audiences has been highly favorable and the evangelistic impact excellent. New episodes of both these new quarter-hour series are currently in production and will be shown throughout this year.

continued -----

Plans continue to be refined for major steps the Commission anticipates in the use of television for presenting the message of Christ. The new television production complex offers opportunities for expanding the agency's ministry in the area of TV.

"One Sunday morning while listening to your program, I let Jesus enter my heart and be my Savior." That sort of testimony from an increasing number of people is "living proof" that the Commission programs are hitting the mark.

While it isn't known just how many are in the Commission audience from week to week, the figure is staggering. The agency receives each year a glimpse of the rich spiritual harvest which takes place when God's Word is effectively presented.

Above 184,000 friends wrote last year for the first time to express appreciation for the programs and to request further information and help. An incredible 14,332 of these wrote to receive spiritual counsel -- double the number who wrote in 1976.

More than 2,000 wrote to say they had accepted Christ as Savior, or renewed their commitment to follow Him in discipleship. These friends are followed up extensively, of course, to provide the kind of help and guidance necessary for them to become productive, growing Christians.

If the world is to hear the good news, radio and television will have to be involved. There are too many worldly barriers, border restrictions, adn nations at cold or hot war with one another to expect it to happen any other way. We continually thank God for the tools placed in our hands, and seek to use them prayerfully and skillfully to reach the maximum number of people for Christ.

SUNDAY SCHOOL BOARD REPORT

Nashville – The Sunday School Board set a record receipt total of $75 million last year but was hampered somewhat by skyrocketing energy and postal costs and bad winter weather.

In presenting the annual report to the Sunday School Board trustees, President Grady C. Cothen said the Board is in excellent financial shape as "we go about fulfilling our mission – the mission of ministry."

Four priorities continued to receive major attention.

More than 7,000 churches and 224 associations conducted ACTION enrollment campaigns and 567 new Sunday Schools were started in efforts to reach more persons for Bible study.

The Bible Book Series for youth and adults in Sunday School and the Radio-TV Bible Correspondence program are scheduled to begin October 1, 1978.

The "Equipping Center" concept, short-term training for adults, continued to be tested with plans to release the first materials April 1, 1979.

Family life conferences which reached 33,000 persons and Home Life with an average monthly circulation of 838,000 were the primary resources for supporting and enriching family life.

Glorieta and Ridgecrest Baptist Conference Centers registered 85,384 guests who stayed a total of 382,178 days. As a result of the work of a special task force on conference center operations, several changes in registration procedures have been approved for 1979.

Baptist Book Stores opened three regional mail order centers in Nashville, St. Louis and Arlington, Texas. Two more will be opened in 1978 in Memphis and Atlanta.

Broadman Press introduced 633 new products during the year. The first book of the 24-volume Layman's Bible Book Commentary will be released in October 1978.

Reorganization was completed of the church Services and Materials Division into three divisions – Bible Teaching, Christian Development and Church and Staff Support. Total Church Study Course credits requested for the year were 308,407.

In the program of Sunday School Development, increased visibility was given to associational work and ministry with ethnic groups and to blind and deaf persons.

Enrollment in church music programs increased 1.3 percent over the previous year. Sales of all editions of the Baptist Hymnal are now over 2.5 million.

The Church Program Training Center, housed in the church administration department, sponsored 117 events attended by 2,542 persons.

Baptist student ministries now reach 1,084 campuses with 673 others identified as needing a ministry. National Student Ministries will sponsor a nationwide missions conference in Nashville in December 1979.

The National Association of Senior Adults, sponsored by the family ministry department, set a goal of 50,000 members by 1985. A monthly magazine for single adults will begin publication in April 1979.

Under the convention-approved formula, $1.6 million was transferred to assist state conventions in promoting Sunday School Board-related programs.

ORDINATION REPORT

The Ordination Committee of the New South River Baptist Association has been busy. Special meetings were called several times by churches of the association to consider men for the Gospel ministry.

Each man was questioned concerning his Salvation experience, his Call to the ministry, his beliefs about Jesus Christ, the Trinity, the Word of God, the church and missions and many other religious matters.

After examination by the committee members, these men were approved as qualified candidates for the Gospel ministry and at the appropriate time the churches could proceed with the ordination of these men at their discretion.

Following are the men examined at the request of these churches:

1.	Sandy Saunders	Gethsemane
2.	James Taylor	Village Drive
3.	Bruce Tyson	Cumberland
4.	Yoo Bai Kim	Snyder Memorial

We recommend, therefore, that this church, the Cool Spring Baptist Church, be received into the full fellowship of this association.

Respectfully submitted,

EVANGELISM COMMITTEE REPORT

Your Evangelism Committee is charged with two major responsibilities:

1. To encourgae our churches to practice evangelism and

2. To offer inspirational and instructional sessions for training in evangelism.

As we reifect back over the Associational year, three events come to mind which our committee sponsored to meet this responsibility. Our Associational Evangelism Rally featured New South River Baptist's three vocational evangelists: Jose' Miranda, Mack Roberts, and Baxter Walker. These men challenged our church people to get personally involved in soul winning. Later in the year we had an area-wide Youth Crusade led by students from Campbell College. This crusade produced many positive results as commitments to Christ were made. In September our pastors gathered at Pleasant Grove Church for a Seminar on Evangelism and Discipleship. This seminar was very effective. Our leader was Dr. Wayland Moore of Tampa, Florida. He is a noted authority in his field and has taught discipleship to our missionaries around the world.

Projected plans include an Associational-wide simultaneous Revival Emphasis in 1980 and an Evangelism Clinic for Laymen and Pastors in 1979. This clinic will feature how-to-do–it sessions. Pastors will be encouraged to hold their own church-sponsored Lay Schools of Evangelism during the year. Other possibilities are before us. These will be weighed in keeping with our purpose and sponsored as God leads.

Your committee challenges each church to double her baptisms by 1980. We all want to be a part of the "Bold Mission" thrust which will honor the Lord Jesus Christ.

Respectfully submitted,

W.L. Owens, Chairman

RECREATION COMMITTEE

The churches of the New South River Baptist Association have experienced good fellowship and beneficial exercise through the various recreational opportunities offered by the Association during the past few years. This past summer, a number of our churches enjoyed the fellowship of participating in softball leagues. Leagues were set up for children, boys, girls, women, and men's teams with trophies presented to league champions and runner-ups and to tournament champions and runner-ups. These leagues were very competitive, but a lot of good, Christian fellowship was enjoyed by all. Many are already looking forward to next summer.

Preparations are now being made for the basketball season. The churches will be receiving information on how they can be involved in this program. Leagues are being formed for younger boys and older youth, as well as girls, women, and men. It is hoped that your church will get involved and enjoy the fun and fellowship that can be experienced.

CHURCH TRAINING REPORT

November, 1977 initiated the "M" Night back into the New South River Baptist Association. Having met on two nights at different locations it was felt that although the attendance was small, "M Night" showed great potential for our Association. This year the "M Night" will occur either Monday November 27 or Tuesday, November 28 with the prospect of a member of the Sunday School Board of the SBC Church Training Department being the principle speaker. The plans further call for a church roll call, group rally songs and spiritual uplift, and an inspiration music presentation by a well known choir, e. g. Campbell College Choir. The objective of the "M Night" will be to present a program that illustrates what effective Church Training can produce in the spiritual growth of our people.

Other programs planned for this area are (1) Youth Speakers Tournament and Bible Memory Verse Contest in the Spring and (2) the possibility of a Youth Bible Knowledge Tournament in the summer of 1979.

As always the goal for this area of work will be to strive to create a greater need for Church Training (which is sorely needed) in our Association. At present a program in which churches of the same area share guest speakers in areas of Church Training is being considered in an attempt to start local church training programs in participating churches. 1979 could very well be the year Church Training comes back to New South River Association.

Respectfully submitted,

John M. Boyles, Director
Church Training

STUDENT COMMITTEE

The plans for 1979 of the Student Committee include a continued look at need of establishing a greater concentration of Baptist work at Methodist College as well as FTI and Fayetteville State. After a very successfulssummer, 1978 in regards to Youth Corp workers and a summer Youth Rally the committee will work dilligently to provide the best youth rallies (with spiritual growth as a result) possible both both in the spring and in the late usummer.

As chairman of the committee, I have been given and gladly accept the responsibility of determining the need and coordination of regularly scheduled conferences for all Ministers of Youth (if not all Ministers of Music, Education and/or Youth) of our Association for the betterment of our ministries. It is hoped that such conferences, if needed, will be established by the spring 1979 Semi-Annual meeting of the Association.

SUNDAY SCHOOL REPORT

The 1977-78 Sunday School year began and ended with assistance being given to individual churches during Sunday School Preparation Week. Words of thanks can never really express my deep gratitude to Brother Charles Stevens and all the others who are so willing to give of their time to improve Sunday School Ministries in the New South River Association.

In addition to Preparation Week, we had several individual conferences, also participated in two Key Leadership Conferences, one at Eutaw Heights in June, and the other at Salemburg in September.

First United Baptist Church was organized on May 14, and began meeting on Sunday mornings shortly after. We met with them on Sunday June 4, and offered our assistance when they were ready to organize their Sunday School. Also explained to them help available, such as first quarter literature, etc. Visited with them again on Sunday August 20, at which time all officers and teachers were elected literature was ordered, and classes given temporary locations. Sunday School officially began on Sunday August 27, 1978.

We are very excited about the BOLD MISSION THRUST 1978-79 EMPHASIS, and will be only too happy to share it with any churches interested. The only thing needed is an invitation.

WOMAN'S MISSIONARY UNION REPORT

1978 - 79

We have had a good year. God has blessed us richly, and we give him the praise.

Our annual meeting, the 82nd, was hosted by Mt. Elam Church on Monday, April 10. Our dedicated director, Mrs. Alene M. Strickland presided. Call to worship for the meeting was given by Mrs. Al Evans in song "Share His Love". Our watchword for the year, Isaiah 40:31 was given. It is: "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not faint." The call to prayer was given by Mrs. Blanche Farmer, prayer chairman of Mt. Elam Church. Those in attendance were greeted by the Director of the Woman's Missionary Union of the host church, Mrs. W.M. Calcutt. The hymn "Breath On Me, Breath Of God" had been our hymn for the year, and it was used during the meeting. Special music was presented by the Youth Choir of the Faymont Church under the direction of Mrs. Adrian Hubbard.

Chairman of the Nominating Committee, Mrs. Bobby Wood, brought a report, and the following officers were elected for the year:

Mrs. Robert Strickland, WMU Director
Mrs. John Hulka, Assistant Director
Mrs. Kenneth Harris, Secretary
Mrs. Charles Herndon, Treasurer
Mrs. Ronald Loftis, Baptist Women Director
Mrs. Vincent Cagnina, Assistant Baptist Women Director
Mrs. Tommy West, Baptist Young Women Director
Mrs. Henry Clark, Assistant Baptist Young Women Director
Mrs. Wendell Prince, Acteens Director
Mrs. Daniel Pender, Girls in Action Director
Miss Joy Copeland, Mission Friends Director
Mrs. Gladys Horne, Pianist
Mrs. Hughy Hollifield, Assistant Pianist
Mrs. Adrian Hubbard, Song Leader
Mrs. Bobby Johnson, Assistant Song Leader
Mrs. James Brown, Mission Action Director

Mrs. Melvyn Curlee, Chairman of the Plans and policy committee, explained the Scholarship Fund and gave a report on it. Miss Sharon Faircloth was the recipient of the fund for this year.

The speaker of the evening was introduced by Mrs. Curlee. He was Rev. Nathan Brooks, a native North Carolinian. Rev. Brooks has pastored churches in several southern states and for several years served as Director of the Division of Church Programs for the N. C. Baptist State Convention. Rev. Brooks used as his topic "Faith Works, Missions – Being and Doing". He presented a tremendous message and challenged us to do the work of the Lord right where we are.

The benediction in song "Beyond These Walls" was given by Mrs. Evans.
Our theme for the year has been "Sharing Love Through Bold Missions."

WMU Leadership Conference was held at Magnolia Church on September 25 with 75 persons in attendance. The second Leadership Conference was held the next night, Sept. 26 at Arran Lake Church, and 102 persons attended. At these conferences women from all over the association came together and attend the conference of their choice to get information to take back to their respective churches. Conference study offered was duties, work and responsibilities of: WMU Director, Baptist Women, Baptist Young Women, Acteens, Girls in Action, Mission Friends and Mission Action.

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES REPORT

1978 has been one of the most challenging and demanding, yet rewarding and exciting years of my life. I have been privileged to work with some very dedicated Christians - some are pastors, others are lay persons; some are young, others are older. They are Black, Indian, Korean, Vietnamese, Spanish, Japanese and Anglo-Saxon. But they have one thing in common: A burning desire to serve Christ as Lord and Savior.

Christian Social Ministries provides a means by which we can reach out to people right where they are and love them in Christ's name.

Last year I mentioned we had concentrated our work in Shaw Heights Mission Center, Samaritan Goodwill Center, Literacy, Emergency Relief, Human Relations and Community Moral issues. We have continued those concentrations this year and have added the other areas listed as projected ministries for 1978: Worship services for Migrant workers, Youth and Family Services led in our Friends of Youth Ministry. Our Language Committee co-ordinated the work that resulted in a Spanish Mission with a full-time pastor and began work toward a Japanese Fellowship. Finally, we had the privilege of supervising Backyard Bible Clubs in many Mobile Home Parks during a ten week period in the summer.

You have been very gracious to allow me the privilege to speak in the churches of our association. Since I became your Director of Christian Social Ministries I have spoken in 42 churches in the association.

Respectfully submitted,

Ronald W. Loftis
Director of Christian Social Ministries

BAPTIST CHILDREN'S HOMES REPORT

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McNeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention, counseling and family education. These fill a great need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

The N. C. Christian Action League has had a very active year. Following a vote which defeated the Liquor-By-The-Drink Bill on Wednesday, June 7th (61-56), in the House of Representatives, one Representative, Mr. Jack Pugh of Asheboro, who had voted against the Bill asked for a chance to reconsider on the following day. Then under heavy pressure from the lobbyists other Representatives were not present for the vote and the Bill carried (57-56). This was sent back to the Senate where they approved the amendments and local option on Liquor-By-The-Drink became lawful. We feel that this is very deplorable because the people of our State spoke loudly and plainly on this matter at the polls in 1973. We do not believe that they have changed their minds.

Now the attention has been shifted from the Halls of the General Assembly to the local areas across the State. There are 43 counties and almost 100 cities and towns with A. B. C. systems. This means that we could be facing this many "Brush Fire" elections in the near future.

The Executive Committee of the N. C. Christian Action League met on June 27th, in Greensboro to map strategies for the inevitable battles ahead. Recommendations by the GOOD GOVERNMENT COMMITTEE were approved.

1. That we authorize loans which are to be used for "seed-money" to assist local organizations to make immediate commitments and to act in helping to raise the funds that are needed for the local campaigns.

2. That we make our Associate Director, Rev. Coy Privette, available to any local campaign at the expense of the League.

3. That Editor Marse Grant be asked to write each subscriber of the Biblical Recorder requesting a contribution to fight L.B.D. and that every local church be asked to put the C.A.L. in their annual budget or to receive a special offering this year.

We would express our sincere appreciation to the Baptists of North Carolina for their moral and financial support of the North Carolina Christian Action League in the past. We are depending upon you who have strong convictions against the increased distribution, sale, and consumption of alcoholic beverages in N. C. and against obscenity and pornography to continue to support the League this year by planning this in your annual budget or receiving a special offering for these purposes.

NEW ASSOCIATE DIRECTOR ELECTED

A new Associate Director, Rev. Coy L. Privette of Kannapolis, N. C. has been elected and is currently serving on a part-time salary basis. This is expected to add much leadership strength to the league and he is expected to become our Executive Director upon the retirement of Dr. D. P. McFarland.

OBSCENITY AND PORNOGRAPHY

Strong action is currently under way in the battle against obscenity and pornography in our State. A federal judge in Raleigh ruled "that a statute passed in 1977 by the North Carolina General Assembly which would define and curb pornographic materials in N. C. violates the first amendment of the Constitution of the United States." Senator I. Beverly Lake will argue this for the North Carolina Attorney General before the fourth Circuit Court in Richmond, Virginia, this fall. Let us pray for his success.

CHRISTIAN LIFE COMMISSION

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were addressed by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber", a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is what the Council seeks to do.

SAMARITAN GOODWILL CENTERS REPORT

"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." JEREMIAH 33:3

We the Samaritan Goodwill Center give thank's to Our Lord Jesus Christ and Savior, the churches and all the people who have donated their time, love and prayers for us.

We give praises to the Lord for sending us the Parkers . (Managers of the Men's Division).

We give our thank's and praises to the Lord for sending us our Director, Alberta F. Green.

During the year of 1978, we have processed at least 120 persons through Samaritan Goodwill Center, of these people I would say at least 25% are sober today. We have five women from the home that have professed Christ as their personal Savior.

We have helped many people through the year that were brought to us from V.R., A.R.C., Mental ealth, the Police, Women's Prison, Salvation Army, Social Services, Walk-In's and some Hitch-hiking.

We have two stores, and through these stores we have helped many people who have been burned out. We helped them with clothes, furniture, food and our prayers.

Samaritan Goodwill Center has two homes: Women's Division and the Men's Division. The Women's home has space for eleven women and the Men's home has space for eleven men.

Our program is set up for people to learn a new way of life through the Lord Jesus Christ. The program consists of: Monday night - Bible Study; Tuesday night - A.A. meetings outside the home; Wednesday night - Bible Study at the the church; Thursday night - outside churches visit the home and carry the message; Friday night - A.A. meeting in the home; Saturday night - A.A. meeting outside the home; Sunday we have Sunday School and Church Services.

The Women's Division has five ladies as residents at this time and the Men's Division has eleven men as residents at this time.

We are proud to say that we have three ladies in the home attending school this year. They are attending F.T.I., Fayetteville State and Douglas Byrd.

LANGUAGE MISSIONS REPORT

During the past year the Language Missions has continued to flourish in several locations. Many things have been accomplished, but these few merit our special attention.

(1). The Korean Fellowship meets at Snyder Memorial Baptist Church and has continued to move stronger in the direction of church fellowship. Pastor Kim has been ordained into the Gospel ministry and is doing a great work among the Korean people.

(2). The Vietnamese Fellowship meets at LaFayette Baptist Church and is led by Pastor An Minh Phan. This fellowship meets every Sunday plus additional Bible classes during the week.

(3). The Japanese Fellowship meets periodically in some of the homes of the Japanese. There are further plans for this fellowship in the months to come.

(4). Very recently we have begun a work among the Spanish speaking people. This fellowship meets at Grace Baptist Church on Raeford Road in Fayetteville. Pastor Mauricio Vargas has recently come to our area and is just beginning this work.

Please pray for the Language Missions of our Association and encourage your acquaintances in these ethnic groups to become a part of one of these fellowships. We encourage the churches to have these pastors come and inform the church family about what they are doing in these areas.

Respectfully submitted,

Jack Hinton
Chairman of Language Missions Committee

YOUTH AND FAMILY SERVICES DEPARTMENT
CHRISTIAN SOCIAL MINISTRIES DIVISION

One of the most exciting programs begun this year is "Friends of Youth". In March of this year we conducted a training seminar to prepare 14 volunteers to serve as friends of youth in trouble. At the close of the training seven volunteers agreed to remain in the program to serve as a big brother or sister.

Training is provided by the State Department of Human Resources, 12th Judicial District (Juvenile Court) and pastors of the association. In November 1978 another training session will begin for additional prospective volunteers.

Our association has one of the highest rates of juvenile delinquency in North Carolina. Children from ages 5 to 16 are appearing in court in alarming numbers. Some are placed on probation immediately, while others are sentenced to terms in a training school before entering a probation period.

The purpose of F. O. Y. is to provide spiritual and moral guidance and Christian friendship to youth in trouble. Our immediate goal is to train 12 volunteers who will contract for one year to be a friend to a youth recommended by the Juvenile Court. Our long-range goal is to train at least one volunteer from each church in the New South River Baptist Association who will agree to the same contract.

We invite you to become a part of this much needed ministry.

Respectfully submitted,

Ronald W. Loftis
Director of Christian Social Ministries

HUMAN RELATIONS COMMITTEE REPORT

The past year has been filled with opportunity and activity. The Human Relations Committees of the two associations have done some really progressive work.

In February, there was a symposium on cooperative ministries. Held in the Arran Lake Baptist Church, the two day symposium dealt with issues of theology, sociology, and ecclesiology. Pastors and lay leaders from both groups were in attendance.

In June, our annual semi-revival was held in First Baptist Church, Fayetteville, (on Moore Street) and LaFayette Baptist Church. In every way, the meeting was a growth from previous years. The attendance was nearly double last year's.

It is the hope and resolve of the committees' chairmen to hold these same two meetings next year.

During the course of the year the move was made to embark upon a joint venture in missions. However, the course of events has hindered any real progress in this area. Progress should be soon forthcoming.

Respectfully submitted,

Daniel P. Stiles
Chairman of Human Relations Committee

MOBILE HOME MINISTRIES REPORT

During the summer of 1978, the Sunday School Department assisted the association by providing training and salary for a leader in Backyard Bible Clubs. Miss Nan Trogdon, a student at Pembroke State University and member of First Baptist Church, Hope Mills, served in this capacity.

Nan began her summer by meeting with several ministers of youth and scheduling times she could provide training for the church youth and arrange a Backyard Bible Club in the church field. As a result of these efforts mobile home ministries were successful at Vander, Hope Mills, Shaw Heights, Cedar Creek, Arran Lake, Grace and other areas.

The objective of this program is to assist the local church in developing a ministry in Mobile Home Parks that will result in extensions of Sunday Schools and other Church Outreach. In some cases new mission fellowships may result.

We are applying for a summer youth minister again for 1979. If you anticipate a Backyard Bible Club in a Mobile Home Park near you and would like assistance, please call our office so we will not overlook you.

Respectfully submitted,

Ronald W. Loftis
Director of Christian Social Ministries

SHAW HEIGHTS MISSION REPORT

The year is ending on an optimistic note at Shaw Heights. God has blessed us. A huge task is before us. There are so many in this small community who need the news of God's love.

"If it's to be, it's up to me" and "Bold Missions - dreams of church growth" are familiar phrases at Shaw Heights. We're putting ourselves behind the Bold Mission Thrust. A council, consisting of the leaders of the various organizations within the mission has been formed. Some definite goals have been set. We will work deliberately toward becoming a self-supporting church.

Our membership has increased by 14 this year. Nine of those members were new converts.

The youth of our mission have shown a greater interest in the mission activities. They have begun to see their important role within our church and community.

The Pastor-Director continues to provide us with capable leadership as well as being involved in associational activities. He has become involved in the community life of Shaw Heights to the extent that many who are not a part of our church membership, or even have a church background, are able to come to him for counselling. Such opportunities for the cause of Christ!

Finances have been a major concern. Contributions from within the mission have shown an increase over last year. We need your continued financial support. It's vital to our work here! We need your prayers. Thank you for supporting our mission.

Respectfully submitted,

Veatrice Floyt

COMMUNITY MORAL ISSUES REPORT

Each Christian has a witness within the community. It is the task of the Community Moral Issues Department to provide information and direction to those Christians who desire to express their Christian witness in this area. A Moral Issue is any issue or situation which causes unrest or concern for the Christian such as pornography in its many varied forms, prostitution, or any movement which tends to break down the moral fibre of the community. It is the aim of the Moral Issues Department to move in a positive manner rather than to re-act to the negative influences in the community.

On April 4, 1978 the Moral Issues Department held an awareness Seminar. The panel of speakers consisted of Sheriff Ottis Jones, District Attorney Ed Grannis, Rev. Dan Stiles, Ronald Loftis, CSM Director and Bill Johnson of Fayetteville Police Department. The highlight of the conference was an address delievered by Rev. Dan Stiles on Confronting Moral Decay, The Church and Society, which received favorable Editorial treatment in the Fayetteville Times. The editorial was entitled "Amen to Rev. Stiles". The quote from Stiles' message which drew the paper's attention was, "We need to take sex away from the gutter rack, and establish instruction in the home, church, and I believe, in the public schools. A wholesome, biblical view of sex can be taught, that can give a person rest."

It was the general opinion of each present at the seminar that the answer to moral decay would be a long struggle to be won by proper education of our youth in the home, church and schools.

As an outgrowth of the Awareness Seminar a second meeting was held to begin the formulation of a permanent committee to concern itself with the issue of moral decay. It is the goal of the Moral Issues Department to establish Christ like direction in facing the moral issues of our community.

It is an understood fact that the only thing necessary for the triumph of evil is for Christian men and women to do nothing. For this reason the Moral Issues Department can succeed only with your help, either thru active participation or thru your prayers. Both are vital ingredients necessary in doing Christ will in this important area of our Christian witness.

Respectfully submitted,

Ted Rhodes, Jr.
Chairman of Community Moral Issues Department

EMERGENCY RELIEF REPORT

One of the areas of ministry where we find the greatest need is in offering emergency assistance. This assistance comes in the form of food, clothing, blankets, furniture, appliances and money for rent, lights and fuel.

We assist persons referred to us by churches, Red Cross, Salvation Army, Department of Social Services, Human resources, etc. We cooperate with these agencies and with Urban Ministries and Hope Harbor as we try to meet these needs.

From October 1977 thru September 1978 we gave assistance to 144 families. Actually monetary aid, food costs and established value of used items totaled $3,500.

The 1979 budget proposes $3,000 for this ministry; however, that will not include food used from the pantry or items contributed from the store. We thank you for helping in this ministry. Your financial contributions and gifts of food, clothing and other items have made this possible.

We shall be sensitive to our call to be good stewards of those things you put in our hands.

Respectfully submitted,

John Booth
Frances West
Co-Chairpersons of Emergency Relief

PRISON MINISTRY REPORT

It is 9:00 A.M. on Saturday morning and five to seven ladies are sitting in worship service in a chapel to hear a minister share God's love for them. By 10:00 A.M. the ladies are gone and thirty to forty men occupy that same chapel while the same minister shares the same Gospel with them.

On Thursday evenings at 7:00 P.M. thirty-five to fifty men assemble in the chapel for Bible study. When each of these three services are concluded, the worshipers return to their cells in the Cumberland County Jail.

Each year about 39,000 persons spend some time in our jail. Nearly 95% of these persons are awaiting trial and may soon be released on bail, probation or acquittal. However, approximately 5% of the inmates have already been tried and sentenced to a maximum of 160 days of confinement.

On a given day there will be an average of 180 inmates in the jail. It is doubtful that any of these will come to one of our churches when they are released unless they can be introduced to Christ before their release.

Over the past eight years an average of 3,150 Bibles were distributed annually to the inmates. We have seen many decisions for Christ but the full scope of our ministry is never seen by us. As with you, we often plant the seed only.

Thank you for your prayerful support of this mission project.

Respectfully submitted,

Claude Carter
Chaplain

MIGRANT MINISTRIES REPORT

In the Spring of this year Ronald Loftis and I began contacting the director of the Migrant and Seasonal Farm Workers Association. We then talked to several growers and crew chiefs. Finally, in June two farmers and their crew chiefs gave us permission to have worship services for the migrants.

In our first worship service, held outside, we had 27 persons to attend. The worshippers asked for Bible reading and prayer. They requested the special songs - "Amazing Grace" and others. During July, August and part of September we held two services each Thursday night (one at each of two camps).

We appreciate the support of the local churches, especially the groups that prepared health kits. We distributed over 500 Kits. We also gave out 100 Bibles to migrants. One night we took a few clothes from the Samaritan Goodwill Center; later we took a truck load of old clothes for them to pick over.

We are hoping more churches will become involved in this ministry next year.

Glen Hancock
Chairman of Migrant Ministries

LITERACY DEPARTMENT REPORT

Our Literacy mission uses the Laubach method of "Each One Teach One" in trying to help those who cannot read. We also work with school-age children that are slow-readers.

We hold tutoring workshops to train volunteers in the Laubach method and stress the great importance of this much needed mission. After they complete the workshop we find individuals for them to help.

The program with the school child is used during the school year but can be carried on into the summer vacation. The child is tutored on a one to one basis which encourages a close tie of friendship between tutor and student.

We certified 13 tutors in 1978 giving us a total of 38. At the present time approximately 15 volunteers are actively tutoring in our program.

Workshops are scheduled semi-annually and at other times as requested by church groups. We now have a trained volunteer in the association who can lead our workshops.

SEMINARY EXTENSION REPORT

1978 was a good year for Seminary Extension in our association. A new Center was established at Autryville where two courses were offered. Forty-five (45) people were enrolled with seven (7) churches represented.

A second Center was established at Grace Baptist Church. One course had twenty-one (21) enrolled; a second course did not materialize. A new course is being offered at Grace Church beginning next week (October 24, 1978).

The Hope Mills Center (formerly In-Depth-Bible Study of Lake Lynn) has continued to operate. This Center has been in continuous operation for five years. Another class is meeting at Marvin United Methodist Church.

A new opportunity and challenge is before us. Campbell College and our committee are seriously considering courses to be offered that will give college credit to persons completing the course requirements. We hope to begin this program in January 1979.

It has been a good year. We expect a great 1979.

Respectfully submitted,

Fred Hall
Chairman of Seminary Extension

YOUTH CAMP REPORT

For the eighth consecutive year we have had our Associational Youth Camp at Wingate College. This year we had 245 campers. Our theme was "Paul: A Study In Bold Missions." We had several new staff members this year, replacing some who have moved away. However, more than half of our staff have served at least one year previously.

All the campers attended Bible Study, morning devotion, missionary emphasis, recreation or crafts, evening worship and evening devotions.

Our missionaries this year were local persons who have served as volunteer missionaries or who are now serving locally as Home Missionaries.

Our Camp is fortunate to have two qualified nurses who volunteer their services. These ladies relate very well to our youngest campers (5th graders), to our oldest campers (1st year college) and to counselors (ages 18-75).

We hope you will plan to attend with us next year. Watch for notices, fliers, posters, etc. shortly after the New Year.

Respectfully Submitted

Glen Hancock
Chairman of Youth Camp Committee
